Start with a 4 1/4" x 11" piece of Very Vanilla cardstock - fold in half. Cut a piece of Typeset designer series paper 4" x 5 1/4" and lightly stamp a few splotches with Basic Black ink and attach to card front.

Use the banner punch and Crumb Cake cardstock cut 1 1/2" x 5", to create a banner. Emboss by running through the Big Shot with the Stylish Stripes embossing folder. Attach to card front.

Stamp the hummingbird onto a 3" square of Very Vanilla. I stamped the more solid image first with Crumb Cake ink, then stamped the image with the beak in Basic Black. To finish the bird, stamp the throat in real red.

Next I used stamps from Timeless Texture stamp set around the hummingbird - stamping off on scrap paper before stamping onto the actual square for the card.

Layer the hummingbird onto a piece of Basic Black cardstock - cut 3 1/8" x 3 7/8" and add the greeting (love this sentiment) and use the hexagon punch to flag each end.

I ran my snail adhesive along the back of the black cardstock and added the venetian trim. Attach this piece to your card front using dimensionals.

To finish the card, I placed three Real Red candy dots just beneath the hummingbird.

I also used the envelope liners with the Typeset dsp to line a Very Vanilla envelope. Great way to finish your cards!
