## Technique Tuesday #23 - Chalked Leaves

### Supplies:

- leaf stamp of choice
- Versamark Ink pad
- vellum
- chalk sticks in various leaf colors
- craft knife
- blush brush or soft full brush

### Instructions to make the leaves:

1. Apply Versamark Ink to stamp
2. Stamp onto Vellum
3. Take chalk sticks in desired colors and shave off color with craft knife (will come off sticks in a powder form) onto stamped image. Be careful not to get too much of the darker colors. Apply colors in sections.
4. Take finger tip and rub gently each color separately. Be sure to wipe fingers between colors or use different finger. Rub lightly....just enough to have the chalk powder adhere to Versamark. I rub lightest colors first and then move to darker ones. Try not to mix colors too much or the leaf will end up only 1 color.
5. Brush off excess powder with a blush type brush with soft bristles.
6. fussy cut leaves
7. Manipulate leaves to add dimension and add to your project.

### Measurements for card:

- Very Vanilla cardstock base 4 1/4 x 11, Front panel 3 1/4 x 4 1/2 embossed with embossing folder, inside panel 3 1/2 x 4 3/4
