Paper Pieces:

- 8-1/2" x 11" Pear Pizzazz cardstock
- Three 2-1/4" x 3-1/4" Designer Series Paper
- Three 2-1/4" x 3-1/4" Designer Series Paper and cut in half at the diagonal
- Three 2-1/2" x 3-1/2" Basic White Thick Cardstock
- Three circle punches for the sentiment

Instructions:

1. Score the large piece of cardstock at 3-3/4" and 7-1/2" on the landscape side, the 11" side. Turn the cardstock so the 8-1/2" side is at the top of the trimmer and cut at 2-3/4" three times. This makes 3 gift card holder bases.
2. On the last panel cut at the diagonal from the bottom corner to the top left score line. See the photo for how the card base should look before folding.
3. Glue the designer series paper to the Basic White thick cardstock and then add the ribbon, glue to the front of the card base.
4. Fold in the flap and glue only at the bottom.
5. After cutting the designer paper piece diagonally add it to the inside of the card on the flap that's folded in.
