Note: Mix and match any of the patterns or colors in the Country Gingham 6x6 inch Designer Series Paper which comes in the Country Floral Lane Suite. A list of what comes in this suite is listed after the directions.

1. Card base: White thick cardstock cut at 11 1/2 x 5 1/2 inches. Fold in half with a bone folder or clear block.
2. Add Balmy Blue Gingham Designer Series Paper layer cut at 5 1/4 x 4 inches. Adhere with Multipurpose Liquid Glue or Seal Adhesive.
3. Add Sweet Sorbet solid color cardstock cut at 5 x 3 3/4 inches. Adhere to Balmy Blue Gingham.
4. Use Country Bouquet bundle punch to punch a heart out of sweet sorbet gingham designer series paper, and the two leaves using green gingham designer paper.
5. Use Dainty Delight dies to cut two semi-circle branches using various gingham designer papers. (Dies are on page 55 of Spring Mini Catalog).
6. Adhere branches to sweet sorbet cardstock first, letting them overlap slightly. Then adhere heart and leaves.
7. Make a bow (I prefer the "bunny ears" method- [watch my video of how to do bunny ears here](#)) using real red ribbon from the Country Bouquet ribbon combo pack. Adhere with a mini glue dot.
8. Use the Take Your Pick tool to add three blue sequins from "Pastel adhesive-backed sequins."

Optional: Adhere an extra piece of gingham paper to the bottom of the inside of the card (approximately 4 1/4 x 3/4 inches).

The _____ Bundle or _____ Suite Collection includes: (Featured colors: _____)
