Dimensions:

- Cherry Cobbler: 4-1/4" x 11" (card base)
- Garden Green: 3-7/8" x 5-1/8" (base layer)
- Whisper White: 3-3/4" x 5" (embossed layer), 4-1/2" x 1-1/2" (leaves & buttons), & 3-3/4" x 1" (banner)
- Be Merry Designer Series Paper (DSP): 3-3/4" x 1-1/2"
- Foil Snowflakes: 1 Silver
- Metallic Enamel Shapes (1 large silver dot and 2 small silver dots)

Instructions:

1. Emboss the bottom, right corner of the largest Whisper White piece by running it through the Big Shot with the Winter Wonder Textured Impressions Embossing Folder. Attach the DSP strip across the middle of the embossed snowflake. Put SNAIL Adhesive onto the back of the center section of a *silver snowflake* from the Foil Snowflakes, and attach it to the center of the embossed snowflake. Line the shorter extensions of the foil snowflake with the longer extensions of the embossed snowflake. Trim the little tips of the silver snowflake that are hanging over the right side of the Whisper White piece. Attach it to the center of the Garden Green piece. Fold the Cherry Cobbler piece in half (fold on top) to form the card base. Attach the Garden Green layer to the card base.
2. Punch the left, short end of the smallest Whisper White piece using the Banner Triple Punch. With the punched end on the left, stamp the "*Celebrate the season*" stamp from the Tags & Trimmings Stamp Set onto the left side of the banner piece using the Garden Green Classic Stampin' Pad. With the right, straight edge of the banner lined up with the right edge of the Whisper White embossed layer, attach the banner across the center of the snowflake/DSP, using SNAIL.

- Stamp the *largest leaf stamp* onto the last Whisper White piece once, using the Garden Green ink pad. Stamp the *smallest leaf stamp* onto the same piece two times, using the same ink pad. Stamp the *smallest button stamp* onto the same piece three times, using the Cherry Cobbler Classic Stampin' Pad. Die-cut the largest leaf out with the *largest leaf die* from the Trim Your Stocking Thinlits Dies, lining the center line of the stamped leaf with the pointed, ends of the die. The stamped image is larger than the die. Die-cut the two smaller leaves with the *smallest leaf die*, lining the center lines of the stamped leaves the same as the largest leaf. Die-cut the buttons out with the *largest circle die*.
- Attach the leaves and buttons to the card (see picture for placement). The largest leaf is the center leaf, and the center button is put on with a Mini Stampin' Dimensional.
- Attach *one large silver dot and two small silver dots* from the Metallic Enamel Shapes (see picture for placement).
