Instructions:

1. Emboss the Whisper White base layer by running it through the Big Shot with the Layered Leaves Dynamic Textured Impressions Embossing Folder. Attach the Springtime Foils DSP piece to the top of the embossed base layer. Emboss the Whisper White embossed strip using the *vine-like folder* from the Petal Pair Textured Impressions Embossing Folders. Attach it across the middle of the Crumb Cake embossed strip mat piece. Then, attach it across the bottom of the DSP on the card (see picture).
2. Ink the *large floral vine stamp* from the Hold on to Hope Stamp Set using the *Tranquil Tide marker* (leaves), *Berry Burst marker* (five-petal flowers), and the *Fresh Fig marker* (lilac-like flowers) from the 2017-2019 In Color Stampin' Write Markers. Stamp it onto the upper, left section of the Whisper White main image piece. Die-cut a cross out of the Wood Textures DSP piece using the *large, plain cross die* from the Cross of Hope Framelits Dies. Attach it to the right side of the piece, letting the right end of the cross hang over a little bit. See picture for placement. Stamp the *"God is Love" banner stamp* onto the Crumb Cake greeting banner piece using the Berry Burst Classic Stampin' Pad. Die-cut it out with the *banner die*, and attach it across the bottom of the main image layer.
3. Attach the main image piece to the center of the Crumb Cake main image mat piece. Attach the whole thing to the center of the card using Stampin' Dimensionals.

When attaching, use SNAIL Adhesive, unless stated otherwise.
