### Dimensions:

- Thick Whisper White: 4-1/4" x 11" (card base) - score at 5-1/2" to make folding easier
- Whisper White: 5-1/2" x 2-3/4" (daisy)
- Daffodil Delight: scrap (flower center)
- Delightful Daisy Designer Series Paper (DSP): 1-1/2" x 5-1/2"
- Night of Navy 1/2" Gingham Ribbon: 7"

### Instructions:

1. Fold the Thick Whisper White card base piece in half so the fold is on the top.
2. Wrap the Night of Navy 1/2" Gingham Ribbon around the left side of the Delightful Daisy DSP piece, attach the ribbon ends onto the back of the DSP using SNAIL Adhesive. The left edge of the ribbon should line up with the left edge of the DSP. Make sure the DSP is flat when putting the ribbon on. Attach this piece to the right side of the card base.
3. Stamp the *large daisy stamp* from the Daisy Delight Stamp Set two times onto the Whisper White daisy piece using the Night of Navy Classic Stampin' Pad. Brush the lines in the inner part of each petal with a Blender Pen. This makes the ink bleed a bit, and it brings a little navy color to the flower petal centers. Put two-three Mini Glue Dots onto the back of one of the daisy's center. Attach it to the top of the other daisy, staggering the petals as you do.
4. Stamp the *detail flower center stamp* onto the Daffodil Delightful scrap using the Daffodil Delight Classic Stampin' Pad. Punch the flower center out with the 1/2" Circle Punch. Attach it to the center of the flower using one-two Mini Glue Dots.
5. Stamp the *"your thoughtfulness..." stamp* onto the bottom, left corner of the card base using the Daffodil Delight ink pad. Lay the flower down in the desired position on the card (see picture for placement), without attaching. Ink the *outline leaf stamp* with the Old Olive Classic Stampin' Pad. Figure out where you want to stamp it, take the flower away, and stamp the leaf. Ink the stamp up again with Old Olive ink pad, and stamp it next to the first one. Lay the flower back down in it's desired position. Ink up the stamp stamp with the same ink pad again, figure out where the bottom leaf should be stamped, take the flower away, and stamp the leaf. Ink the *solid leaf stamp* with the Old Olive ink pad, stamp it onto a scrap piece of paper, and then stamp the inside of one of the stamped leaf outlines. Do the same thing with the other two stamped leaf outlines.
6. Put two Mini Glue Dots under the area of the ribbon where the flower will be placed. This will keep the ribbon in place, and keep the flower on more securely when attached. Attach the flower to the card using two-three Mini Glue Dots.
