Instructions:

1. Emboss the Lemon Lime Twist piece by running it through the Big Shot with the Scattered Sequins Dynamic Textured Impressions Embossing Folder. With the short sides on the top and bottom, lay the DSP piece onto the Stampin' Trimmer. Line the top, left corner up with the left 1/2" mark on the trimmer, and line the bottom, right corner up with the right 1/2" mark. Once both corners are lined up, cut. Attach one of the pieces across the bottom of the embossed layer. Wrap the ribbon around the embossed layer, up against the angled edge of the DSP, and attach the ribbon ends to the back of the piece. Fold the Pool Party piece in half (fold on the left) to form the card base. Attach the embossed layer to the center of the card front.
2. Stamp the *smallest-design cupcake icing stamp* from the Sweet Cupcake Stamp Set onto the left side of the Whisper White cupcake piece using the Bermuda Bay Classic Stampin' Pad. Ink the *medium-design cupcake icing stamp* with the Bermuda Bay ink pad, stamp onto a scrap piece of paper, and then stamp on top of the cupcake image already stamped (stamp-off technique). Stamp the *largest-design cupcake icing stamp* on top using the Pool Party Classic Stampin' Pad. Die-cut it out with its coordinating die from the Cupcake Cutouts Framelits Dies.
3. Stamp the *smallest-design cupcake cup stamp* onto the right side of the same Whisper White piece using the Chocolate Chip Classic Stampin' Pad. Using the stamp-off technique (refer to above step), stamp the *medium-design cupcake cup stamp* on top of the first image with the Chocolate Chip ink pad. Stamp the *largest-design cupcake cup stamp* on top using the Crumb Cake Classic Stampin' Pad. Die-cut it out with its coordinating die.
4. Die-cut a circle out of the Whisper White circle piece using the #5 circle die (the smallest being #1) from the Layering Circles Framelits Dies. Die-cut a scallop circle out of the Bermuda Bay piece using the #6 scallop circle die (smallest being #1). Attach the circle to the center of the scallop circle. Attach the cupcake cup onto the bottom of the circle, and then attach the cupcake icing over the top of the cupcake cup. Attach the whole thing over the right-side of the ribbon on the card using Stampin' Dimensionals.
5. Stamp the "Happy Birthday" stamp onto the center of the last Whisper White piece using the Chocolate Chip ink pad. Cutting at an angle, cut in-between the two words. Attach the pieces to the left side of the scallop circle, tucking the ends under the scallop circle.

*Use SNAIL Adhesive when attaching, unless stated otherwise.
