Instructions:

1. With a 6-3/4" side along the top, score the Petal Pink piece at 4". Round all four corners of the piece with the *corner rounder part* of the Detailed Trio Punch. Fold the score line down so the narrower section is on the top.
2. With the long sides on the top and bottom, round the bottom two corners of the DSP piece and the Mint Macaron base piece using the same punch. With the rounded corners on the bottom, wrap the 7" piece of Grapefruit Grove 1/8" Grosgrain Ribbon around the top of the DSP, and attach the ribbon ends to the back of the piece. Attach the DSP piece to the center of the Petal Pink card flap. With the flap on the top, attach the Petal Pink card to the center of the Mint Macaron base piece. Tie the 5" piece of the ribbon onto the left side of the attached ribbon, using a single-knot. Trim the ribbon ends at an angle.
3. With the 5" sides on the top and bottom of the largest Whisper White piece, punch both bottom corners with the *design-part* of the Detailed Trio Punch. Round these same corners with the *corner rounder part* of the punch. Stamp the *corner-design stamp* from the Detailed With Love Stamp Set around each punched design using the Mint Macaron Classic Stampin' Pad. Attach the piece to the inside part of the Petal Pink card.
4. Stamp the "*So Many of My Smiles...*" stamp onto the smallest Whisper White piece using the Grapefruit Grove Classic Stampin' Pad. Die-cut the image out with the *second, largest oval die* in the Stitched Shapes Framelits Dies. Die-cut a scallop oval out of the smallest Mint Macaron piece using the *third, largest scallop oval die* in the Layering Ovals Framelits Dies. Attach the greeting oval to the center of the scallop oval. Attach three Stampin' Dimensionals onto the top two-thirds of the back of the scallop oval. Attach the top two-thirds of the scallop oval to the bottom, center of the flap of the card, making sure the bottom one-third is hanging down below the flap (see left picture).

Use SNAIL Adhesive when attaching, unless stated otherwise.
