Dimensions:

- Cherry Cobbler: 8-1/2" X 5-1/2" (card base)
- Crumb Cake: 4" x 5-1/4" (base layer)
- Whisper White: 3" x 3" (greeting circle)
- Merry Little Christmas Designer Series Paper (DSP): 4" x 3/4"
- Cherry Cobbler 1/4" Double-Stitched Ribbon: 6" & 4"
- Gold 3/8" Metallic-Edge Ribbon: 8"

Instructions:

1. Attach the DSP piece across the bottom of the Crumb Cake piece. Stamp the "Good Tidings..." stamp from the Good Tidings Stamp Set onto the center of the Crumb Cake piece using the Cherry Cobbler Classic Stampin' Pad. It should be centered between the two side edges and top edge of the Crumb Cake piece and the top edge of the DSP piece. This is stamped to help know where the wreath needs to be made.
2. Stamp the detailed, smaller leaves stamp onto the top, center of the Crumb Cake piece with the Old Olive Classic Stampin' Pad. Ink the other smaller leaves stamp with the Old Olive ink pad, stamp it onto a scrap piece of paper, and then stamp it on top of the stamped leaves (Stamp Off Technique). Stamp the detailed, berry trio stamp into the space of the leaves using the Cherry Cobbler ink pad. Using the Stamp Off Technique, stamp the other berry trio stamp on top of it using the Cherry Cobbler ink pad. Repeat this step until there holly completely around the greeting. It should look like a wreath when you done.
3. Wrap the longer Cherry Cobbler Double-Stitched Ribbon around the top of the DSP layer, and attach the ribbon ends to the back of the Crumb Cake piece. Stamp the "Good Tidings..." stamp onto the center of the Whisper White piece using the Cherry Cobbler ink pad. Die-cut the greeting out with the second, largest circle die from the Layering Circles Framelits Dies. Attach circle inside the center of the wreath, covering the first stamped greeting. Fold the Cherry Cobbler piece in half (fold on the left) to form the card base. Attach the wreath piece to the card base.
4. Tie the shorter Cherry Cobbler ribbon onto the center of the attached ribbon using a single-knot. Trim the

ribbon ends at an angle. Tie the Gold 3/8" Metallic-Edge Ribbon into a bow. Attach it to the top of the wreath using two Mini Glue Dots. Trim the ribbon ends at an angle.

When attaching things, use SNAIL Adhesive, unless stated otherwise.
