### Dimensions:

- Real Red: 5-1/2" x 8-1/2" (card base) & 2-1/2" x 2-1/2" (letters)
- Garden Green: 5-1/4" x 4" (base layer)
- Basic Black: 4-1/2" x 3-1/4" (main image mat)
- Whisper White: 4-1/4" x 3" (main image)
- Christmas Around the World Designer Series Paper (DSP): 5-1/4" x 2"
- Real Red 1/8" Solid Ribbon: 14" (bow) & 7" (strip)

### Instructions:

1. Attach the DSP piece across the bottom of the Garden Green piece. Wrap the 7" ribbon piece around the top of the DSP, and attach the ribbon ends to the back of the Garden Green piece using SNAIL Adhesive. Fold the largest Real Red piece in half (fold on the top) to form the card base. Attach the Garden Green piece to the card base.
2. Die-cut the two letters out of the smallest Real Red piece using the "J" and "Y" dies from the Large Letters Framelits Dies. Lay them onto opposite ends of the Whisper White piece, without attaching. Stamp the *largest flower stamp* from the Painted Harvest Stamp Set in-between the two letters using the Garden Green Classic Stampin' Pad. Remove the letters. Stamp the *smallest flower stamp* onto the stamped flower using the same ink pad (line-up the centers when stamping). Stamp the *five-dot stamp* five times onto the "wreath" using the Real Red Classic Stampin' Pad. Attach the letters to the piece using SNAIL Adhesive to form the "Joy". Attach the piece to the center of the Basic Black piece.
3. Fold the 14" piece of ribbon in half, and cut the looped end to form two 7" pieces. Tie the two pieces together to form a bow. Once it's tied tightly, attach the bow to the bottom of the wreath using a Mini Glue Dot. Trim the ribbon ends at an angle. Separate the ribbon pieces a bit to make the two layers of the bow show. Attach the whole thing to the center of the card base using Stampin' Dimensionals.
