Instructions:

1. Stamp the about lower two-thirds of the Crumb Cake piece with the Buffalo Check Stamp Set using the Cherry Cobbler Classic Stampin' Pad. Attach the piece to the center of the Early Espresso piece. Fold the Cherry Cobbler piece in half (fold on the left) to form the card base. Attach the Buffalo Check/Early Espresso piece to the center of the card front. Trim the ends of the 5/8" Striped Burlap Trim at an angle, making it about 4-1/4" long at the longest points. Put SNAIL Adhesive along the top of the Buffalo Check image, and attach the burlap trim across it, centering it between both sides of the card base.
2. Die-cut a snowflake out of the Galvanized Metallic Paper using the *largest snowflake die* in the Snowfall Thinlits Dies. Stamp the *largest snowflake stamp* from the Snow is Glistening Stamp Set onto one side of the Very Vanilla piece using the Cherry Cobbler ink pad. Die-cut the snowflake out with its *coordinating die*. Attach the stamped snowflake onto the center of the large snowflake. Put SNAIL Adhesive all over the back of the center section of the large snowflake, and attach it to the top, center of the card. Attach a *snowflake* from the Snowflake Trinkets to the center of the stamped snowflake using a Mini Glue Dot.
3. Remove the printed paper backing from the Multipurpose Adhesive Sheet, and attach the Wood Textures DSP piece to it. Die-cut the *"Merry" die* from the Merry Christmas Thinlits Dies out of it. Stamp the *frame stamp* from the Merry Christmas to All Stamp Set onto the other end of the Very Vanilla piece using the Early Espresso Classic Stampin' Pad. Stamp the *printed "Christmas" stamp* into the center of the frame using the Cherry Cobbler ink pad. Die-cut the frame out with the *coordinating die*. Attach the "Christmas" label to the bottom left of the Buffalo Check layer, making it hang off the bottom edge of it a little bit. Remove the paper backing from the "Merry" die-cut, and attach it to the card, below the snowflake, and above the "Christmas" label.

Use SNAIL Adhesive when attaching, unless stated otherwise.
