Dimensions:

- Real Red: 8-1/2" x 5-1/2" (card base)
- Basic Black: 3-1/4" x 4-1/4" (base layer)
- Whisper White: 3-1/2" x 2-1/2" (oval) & 4" x 5-1/4" (inside)
- Real Red 1/8" Solid Ribbon: 8"
- Rhinestone Basic Jewels: (2) small rhinestones
- Christmas Around the World Designer Series Paper (DSP): 2" x 4"

Instructions:

1. Attach the DSP piece to the left side of the Basic Black piece. Fold the Real Red piece in half to form the card base. Attach the Basic Black/DSP piece to the center of the card. Stamp the "Merry Christmas" stamp from the Merry Patterns Stamp Set onto the bottom right of the card, just beneath the Basic Black layer, using the Tuxedo Black Memento Pad.
2. Die-cut an oval out of the Whisper White oval piece using the *largest oval die* from the Stitched Shapes Framelits Dies. Stamp the *candles outline stamp* onto the top part of the oval using the Memento Pad. Stamp the *full, candle trio stamp* onto the inside of three of the candles, the first one being the second candle, using the Real Red Classic Stampin' Pad. Ink the *partial, candle trio stamp* with the Real Red ink pad, stamp it onto a scrap piece of paper, and then stamp it into the final three candles. Stamp the *flames stamp* into the flame outlines using the Crushed Curry Classic Stampin' Pad. Stamp the *pine branch stamp* under the candles, two times going one way and two times going the other way, using the Garden Green Classic Stampin' Pad. The stick end of the branch should always be in the middle. Attach the oval to the top part of the Basic Black/DSP piece using Stampin' Dimensionals (see picture for placement).
3. Tie the Real Red 1/8" Solid Ribbon into a tiny bow. Attach it to the bottom, center of the candles, covering up where the branches meet, using a Mini Glue Dot. Attach *two small rhinestones* from the Rhinestone Basic Jewels to the bottom, right corner of the Basic Black layer.
4. **Inside of card (2nd picture):** Stamp the candles onto the bottom, left corner of the Whisper White inside piece. Refer to Step 2 for stamping instructions. Attach the piece to the inside of the card.
