Dimensions:

- Basic Black: 5-1/2" x 8-1/2" (card base) and 4-3/4" x 2-1/2" (main image mat)
- Silver Foil Sheets: 5-1/4" x 4" (embossed layer)
- Very Vanilla: 5-1/2" x 2" (DAD letters), 4-3/4" x 1" (greeting layer), and 5-1/4" x 4" (inside of card)
- Urban Underground Specialty Designer Series Paper (DSP): 4-1/2" x 2-1/4" (Delightful Dijon "x" paper)
- Urban Underground Designer Washi Tape: about 6" of each tape design

Instructions:

1. Fold the Basic Black card base piece in half.
2. Emboss the Silver Foil Sheet by running it through the Big Shot with the Hexagons Dynamic Textured Impressions Embossing Folder (TIEF). The sandwich needed to emboss with this extra thick embossing folder is: (beginning from the bottom) Big Shot Platform (without thin die adapter), embossing folder with the paper inside, and one Standard Cutting Pad. Attach the piece to the center, front of the Basic Black card base.
3. Attach the DSP layer to the center of the Basic Black main image mat. Then, attach it to the top, center of the card.
4. Stamp the "D" stamp from the Urban District Stamp Set two times onto the Very Vanilla DAD letters piece using the Basic Black Archival Stampin' Pad. Stamp the "A" stamp once on the same piece with the same ink pad. Fussy cut the letters out with Paper Snips. Sponge the outside and inside edges of the letters with ink from the Basic Gray Archival Stampin' Pad using a Sponge Dauber. Attach them across the DSP layer using Stampin' Dimensionals (see picture).
5. Stamp the "world's greatest" stamp onto the top, right corner of the Very Vanilla greeting piece using the Basic Black ink pad. Sponge the edges of the piece with ink from the Basic Gray ink pad using a Sponge Dauber. Attach about a 6" piece of *Delightful Dijon tape* from the Urban Underground Designer Washi Tape across the bottom edge of the piece, attaching the tape ends to the back. Attach the whole thing to the bottom, center of the card.
6. Attach a *star embellishment* from the Urban Underground Embellishments to the left of the greeting.
7. Attach about a 6" piece of *silver "x"s tape* across the bottom of the Very Vanilla inside of card piece, attaching the tape ends to the back. Attach about a 6" piece of the *Basic Gray stripe tape* above the first tape strip, attaching the tape ends to the back.
8. Stamp the "You're the Best" stamp above the washi tape, and on the left side of the cardstock, using the *Delightful Dijon Classic Stampin' Pad*. Attach the piece to the inside of the card.
