### Pillow Box Dimensions:

- Lemon Lime Twist: 7" x 5-1/2" (pillow box)
- Very Vanilla: 6-1/4" x 2-1/2" (sunflower and leaves) & 3-1/2" x 1/2" (banner)
- Painted Autumn Designer Series Paper (DSP): 6" x 2" (belly band)
- 2017-2019 In Color Itty Bitty Bows: 1 - Lemon Lime Twist box

### Pillow Box Instructions:

1. Die-cut two pillow box pieces out of the Lemon Lime Twist piece using the *pillow box die* from the Trim Your Stocking Thinlits Dies. Cut the rectangular tab on both pieces off. Cut the two long, narrow sections of one of the pieces off, cutting along the score lines. Burnish all of the score lines down (fold down, and let come back up) on the two pieces. Fold the straight folds back on the piece that still has them. With the sections still folded back, put Multipurpose Glue along the two long, narrow sections. With them still fold back, attach them to the other pillow box piece. The score lines of the narrow, glued sections should line up with the long, straight edges of the other piece. Once in place, hold the sides together for a few seconds, until the glue takes hold. Fold the curved ends down to close the pillow box.
2. Put Tear & Tape Adhesive along one short end of the DSP piece. Wrap the DSP around the middle of the pillow box. Remove the paper-backing from the adhesive, and attach the DSP ends together to form the belly band.
3. Stamp the *largest flower stamp* from the Painted Harvest Stamp Set onto one end of the larger Very Vanilla piece using the Crushed Curry Classic Stampin' Pad. Rotate the stamp a little bit, and stamp it again (without re-inking) This gives the flower a fuller look. Stamp the *smaller flower stamp* on top of the first using the Cajun Craze Classic Stampin' Pad. When lining up the two stamps, the center is all that needs lined up. Stamp the *flower center stamp* into the center of the sunflower using the Early Espresso Classic Stampin' Pad. Punch the sunflower out with

the Starburst Punch.

4. Ink the *bolder leaf-trio stamp* with the Garden Green Classic Stampin' Pad, stamp it onto a scrap piece of paper, and then stamp it onto the larger Very Vanilla piece (stamping off technique). Stamp it again the same way one more time. Stamp the *detailed, leaf-trio stamp* over both of the stamped images (without stamping off) using the same ink pad. Punch the leaves out with the Leaf Punch. Attach the leaves to the back of the left side of the sunflower using SNAIL Adhesive. Attach the whole thing to the front of the pillow box using Stampin' Dimensionals.
5. Punch the right short end of the smaller Very Vanilla piece using the Banner Triple Punch. With the punched end on the right, stamp the *"gather together..." stamp* onto the right side of the banner piece, using the Early Espresso ink pad. Attach the banner to the bottom, right side of the sunflower (see pillow box picture) using SNAIL Adhesive. Attach a Lemon Lime Twist bow from the 2017-2019 In Color Bitty Bows onto the left end of the banner piece.

### Card Dimensions:

- Lemon Lime Twist: 8-1/2" x 5-1/2" (card base)
- Early Espresso: 3" x 3" (frame)
- Very Vanilla: 4" x 5-1/4" (embossed layer), 8-1/2" x 2-1/2" (sunflower & leaves), 3-1/2" x 1/2" (banner)
- Painted Autumn DSP: 4" x 2"
- 5/8" Burlap Ribbon: 6"
- 2017-2019 In Color Bitty Bows: 1 - Lemon Lime Twist bow

### Card Instructions:

1. Emboss the Very Vanilla embossed layer piece by running it through the Big Shot with the Layered Leaves 3D Dynamic Textured Impression Embossing Folder. Attach the DSP across the bottom of the piece. Wrap the Burlap Ribbon around the top of the DSP layer, and attach the ribbon ends to the back of the embossed layer. Fold the Lemon Lime Twist piece in half (fold on the left) to form the card base. Attach the embossed layer/DSP to the card base.
2. Die-cut a scallop square out of the Early Espresso piece using the *second, largest scallop square die* from the Layering Squares Framelits Dies. Lay the *#6 square die* (with the smallest being #1) onto the center of the scallop square, and then run it through the Big Shot. Attach the frame onto the top, center of the card using Mini Stampin' Dimensionals (see card picture).
3. Stamp the *largest flower stamp* from the Painted Harvest Stamp Set onto one end of the larger Very Vanilla strip using the Crushed Curry Classic Stampin' Pad. Rotate the stamp a little bit, and stamp it again (without re-inking) This gives the flower a fuller look. Stamp the *smaller flower stamp* on top of the first using the Cajun Craze Classic Stampin' Pad. When lining up the two stamps, the center is all that needs lined up. Stamp the *flower center stamp* into the center

Punch the leaves out with the Leaf Punch. Attach two leaves to the back of the left side of the top of the sunflower, and attach the other two to the bottom, right side of the sunflower using SNAIL Adhesive. Attach the whole thing to the bottom left corner of the frame using Stampin' Dimensionals.
5. Punch the right short end of the smaller Very Vanilla piece using the Banner Triple Punch. With the punched end on the right, stamp the *"gather together..." stamp* onto the right side of the banner piece, using the Early Espresso ink pad.
