Instructions:

1. Punch one end of both Bubbles & Fizz DSP banners by inserting them all the way into the Banner Triple Punch, and then punching. Fold the Bermuda Bay piece in half (fold on the left) to form the card base. Attach the Daffodil Delight banner to the left side of the card, and attach the Calypso Coral banner to the right side (see picture). The top edge of both banners should be lined-up with the top edge of the card base.
2. Stamp the *branch stamp* from the Bird Banter Stamp Set across the bottom part of the Whisper White piece with the Tuxedo Black Memento Pad (see picture). Stamp the *smaller right-facing bird stamp* onto the left side of the branch, and the *smaller left-facing bird stamp* onto the right side of the branch, using the same ink pad. Stamp the *heart stamp* above the birds using the same ink pad, too.
3. Color the top half of the birds in with the Bermuda Bay Stampin' Blends Combo Pack. Color the bottom half of the birds in with the Daffodil Delight Stampin' Blends Combo Pack. Color the leaves in with the Old Olive Stampin' Blends Combo Pack. Color the heart in with the Calypso Coral Stampin' Blends Combo Pack. (The Stampin' Blends will be available to purchase again the end of May, 2018 or the beginning of June, 2018).
4. Stamp the *"You're the kind..." stamp* onto the center of the Lemon Lime Twist piece using the Memento Pad. Attach it to the bottom, left corner of the Whisper White piece. Fold the Lemon Lime Twist Mini Striped Ribbon in half, and attach it to the back of the Whisper White piece, placing it at the end of the greeting piece. Make sure the folded end is showing from the front. Attach it all to the center of the Calypso Coral piece, and then attach it to the top, center of the card base using Stampin' Dimensionals.
5. Attach three *Daffodil Delight enamel dots* from the Glitter Enamel Dots to the bottom, right corner of the card base. Choose three different Daffodil Delight shades, attaching the lightest on farthest right, and ending with the darkest on the far left.

When attaching, use SNAIL Adhesive, unless stated otherwise.
