Instructions:

1. Emboss the long Sweet Sugarplum piece by running it through the Big Shot using the *floral folder* from the Petal Pair Textured Impressions Embossing Folder. Attach the piece across the center of the long Old Olive piece.
2. With an 8-1/2" side along the top, score the Thick Whisper piece at 4-1/4". Fold along the score line to form the card base. **Note:** This cardstock is thick, and folds much better by scoring first. Attach the embossed piece up & down the center of the card base.
3. Stamp the "*You're in my thoughts...*" stamp from the Rose Wonder Stamp Set onto the bottom, right corner of the Whisper White piece using the Basic Gray Archival Stampin' Pad. Stamp the *lavender outline stamp* from the Lots of Lavender Stamp Set, upside down, two times across the top of the piece using the same ink pad (see picture).
4. Stamp the *bolder, lavender floral stamp* on top of the floral part of the stamped lavender image using the Sweet Sugarplum Classic Stampin' Pad. Do the same to both lavender images. Stamp the *bolder four-leaf stamp* inside both of the four-leaf outline images using the Old Olive Classic Stampin' Pad. Stamp the *bolder double-leaf stamp* inside the double-leaf outline images using the Old Olive ink pad.
5. Attach the image piece to the center of the last Sweet Sugarplum piece, and then attach it to the center of the last Old Olive piece. Attach the whole thing to the center of the card using Stampin' Dimensionals.
6. Tie the Old Olive Sheer Ribbon into a bow, and attach it to the bottom, left corner of the image piece using a Mini Glue Dot. Trim the ribbon ends at an angle.

When attaching, use SNAIL Adhesive, unless stated otherwise.
