### Dimensions:

- Garden Green: 8-1/2" x 5-1/2" (card base) & 4" x 3-1/4" (main image mat)
- Cherry Cobbler: 4" x 5-1/4" (embossed layer)
- Whisper White: 4" x 3" (main image) & 4-1/2" x 2" (poinsettias)
- Cherry Cobbler 1/4" Double-Stitched Ribbon: 4"

### Instructions:

1. Emboss the Cherry Cobbler piece by running it through the Big Shot using the Holly Textured Impressions Embossing Folder. Fold the Garden Green card base piece in half. Then, attach the Cherry Cobbler embossed piece to the center of base.
2. Die-cut the top corners of the Whisper White main image piece using *both poinsettia, corner border dies* from the Card Front Builder Thinlits Dies. Ink the "Deck the Halls" stamp from the Carols of Christmas Stamp Set with the Garden Green marker ("Deck"), Crushed Curry marker ("the" middle section), and Cherry Cobbler marker ("Halls") from the Regals Collection Stampin' Write Markers. Stamp it below the poinsettia corner borders (see picture). Attach the piece across the center of the Garden Green main image mat piece. Then, attach it across the top part of the Cherry Cobbler embossed layer.
3. Stamp the *poinsettia stamp* six times using the Cherry Cobbler Classic Stampin' Pad onto the Whisper White poinsettias piece. Make sure to leave plenty of room in-between the poinsettias. Die-cut the poinsettias using the center poinsettia in one of the *poinsettia, corner dies*. Put a *small rhinestone* from the Rhinestone Basic Jewels onto the center of each poinsettia. Attach each one over the poinsettia openings in the main image layer using a Mini Stampin' Dimensional on each one.
4. Attach a *wreath* from the Boxwood Wreaths Embellishments under the center of the main image using the Multipurpose Liquid Glue. Hold the wreath down until the glue sets. Tie the Cherry Cobbler 1/4" Double-Stitched Ribbon piece into a single knot, and trim the ribbon ends at an angle. Attach the ribbon knot to the bottom of the wreath using a Mini Glue Dot.
