### Instructions:

1. Fold the Real Red card base in half. Emboss the Crumb Cake piece by running it through the Big Shot with the Oh My Stars Textured Impressions Embossing Folder. Attach the *striped paper* from the Birthday Memories DSP onto the right side of the Crumb Cake layer. Then, attach the *dotted paper* across the bottom part of the piece. Punch the left, long side of the Pumpkin Pie piece with the Ticket Tear Border Punch. Stamp the *birthday hat stamp* from the Birthday Delivery Stamp Set all over the piece using the Pumpkin Pie Classic Stampin' Pad. Attach it to the right side of the Crumb Cake piece (see picture for placement). Attach the whole thing to the card base.
2. Die-cut a scallop circle out of the Real Red square piece using the *largest scallop die* in the Layering Circles Framelits Dies. Die-cut a circle from the Soft Sky piece using the *2nd largest circle die*. Attach the circle to the center of the scallop circle. Attach the whole thing to the right, bottom corner of the card.
3. Die-cut a fox out from the Birthday Memories DSP using the *fox die* from the Birthday Friends Framelits Dies. Die-cut a banner out of the same piece of paper using the *banner die*. Attach the fox to the circle layer using Stampin' Dimensionals. Stamp the *"HIP HIP HOORAY"* stamp onto the banner using the Tuxedo Black Memento Pad. Attach the banner to the card using Stampin' Dimensionals, tucking the end of the pole under the fox's hand (see picture for placement).
