Dimensions:

- So Saffron: 8-1/2" x 5-1/2" (card base) & 3-1/2" x 1" (banner)
- Early Espresso: 2-3/4" x 2-3/4" (scallop circle)
- Very Vanilla: 2-3/4" x 2-3/4" (image circle) & 2-3/4" x 5-1/4" (embossed layer)
- Cupcakes & Carousels Designer Series Paper (DSP) Stack: 4" x 5-1/4" (Bermuda Bay/So Saffron horses paper)
- Gold 1/4" Natural Trim: (2) 4"
- Playful Palette Designer Washi Tape: 6" (Emerald Envy striped tape)

Instructions:

1. Fold the So Saffron card base in half. Attach the Cupcakes & Carousels DSP piece onto the center of the card front.
2. Emboss the large Very Vanilla piece by running it through the Big Shot Die-Cutting Machine with the Elegant Dots Textured Impressions Embossing Folder. Wrap the Playful Palette Designer Washi Tape around the left, 5-1/4" side of the piece, and attach the tape ends to the back of the embossed piece. Wrap one of the Gold 1/4" Natural Trim pieces around the upper part of the piece (see picture), and attach the trim ends to the back of the piece. Tie the last trim piece onto the right side of the attached trim, using a single knot. Attach the piece to the right side of the card, keeping about a 1/4" of the DSP showing on the right.
3. Stamp the *carousel horse stamp* from the Carousel Birthday Stamp Set onto the center of the smaller Very Vanilla piece using the Early Espresso Classic Stampin' Pad. Color the pole in with the Gold Wink of Stella Glitter Brush. Die-cut the horse out with the #6 circle die (with #1 being the smallest) from the Layering Circles Framelits Dies. Die-cut a scallop circle out from the Early Espresso piece using the #6 scallop circle die from the same die set. Attach it to the upper, left side of the card with Stampin' Dimensionals (see picture).
4. Punch the right, 1" side of the So Saffron banner piece with the Banner Triple Punch. Make sure to insert the cardstock end in as far as it can go in the punch. With the banner end on the right, stamp the "Birthday" stamp onto the piece using the Bermuda Bay Classic Stampin' Pad. Attach it to the lower, right of the card using Stampin' Dimensionals (see picture).
5. Attach two small and two large gold circles from the Metallic Enamel Shapes to the embossed layer (see picture).
