- stamps. Stamp the smaller, darker one first, and then ink up the larger one with the same ink, stamp off onto a scrap piece of paper, and then stamp on top of the smaller flower images. Stamp the grass stamp across the bottom of the flowers, using Pear Pizzazz ink.
3. Using a Blending Brush, brush Pool Party ink lightly over the flowers & grass, keeping the rest of the cardstock white.
 4. Stamp the "Happy Birthday" stamp onto the top, right of the piece using Fresh Freesia ink.
 5. Attach the stamped piece to the center of the Fresh Freesia piece.
 6. With an 8-1/2" side along the top, score the Thick Basic White piece at 4-1/4". Fold along the score line to form the card base. Attach the piece from Step 5 to the center of the card.
 7. Add the Brushed Brass Butterflies onto the card (see left picture)
 8. **Inside of Card (right picture):** Stamp the larger stem to the bottom, right of the inside of the card using Pear Pizzazz ink. Stamp the Flirty Flamingo flowers onto it like the ones on the front of the card (See Step 2). Lightly brush Pool Party ink over the flower using a Blending Brush.

Candy Pouch Dimensions:

- **Basic White CS:** 9" x 6" (two pillowbox pieces)
- **Fresh Freesia Open Weave Ribbon:** 15"

of the pillowbox pieces, covering it up completely.

3. Stamp the stems across the piece using Pear Pizzazz ink (see picture above). **Note:** The bottom of the stems will stamp onto the Masking Paper.
4. Stamp the flowers the same way as the card with the same ink colors (see card instructions).
5. Stamp the grass across piece, with about half of the grass stamping onto the Masking Paper, using Pear Pizzazz ink. Remove the Masking Paper
6. Repeat Steps 1-5, using the same piece of Masking Paper. **Tip:** You can line the stems up with the stems on the Masking Paper, if you want them in the same place as the first piece.
7. Fold along the bottom, straight score line on both pieces, folding the bottom section back. Put Stampin' Seal+ Adhesive onto one of the bottom, un-stamped sections. Line up the these two sections, and attach them together to form the bottom of the pouch.
8. Line the two-hole die onto the scalloped top, and die-cut. Do the same with the other scalloped top.
9. Insert treats inside the pouch (I tied 3 Ghirardelli square candy bars together with twine) Line the holes up in both pillowbox pieces. Thread the ribbon through the lined-up holes, and tie it closed with a bow. Trim ribbon ends, if desired.

When attaching, use Stampin' Seal Adhesive.
