1. Create a 4 1/8 x 5 1/2 card base using Crumb Cake card stock and the Stampin' Up! Stampin' Trimmer. It cuts and scores.
2. Use the Big Shot and the largest & 2nd largest Rectangle Stitched Framelits Dies to crop two pieces of Whisper White card stock. Adhere the larger rectangle to the card base with Snail Adhesive.
3. Use the [Stamparatus](#) to position and stamp the sentiment in Crumb Cake Ink onto the bottom right corner of the smaller rectangle. Adhere with Stampin' Dimensionals.
4. Stamp the stems and leaves in Granny Apple Green, and the lilies in Poppy Parade ink onto Whisper White card stock.
5. **TIPS for a better image using the Lasting Lily Photopolymer stamp set.**
 - a. Use the [Stamparatus](#).
 - b. Apply ink in circles with a sponge dauber directly to the stamp.
 - c. Apply enough pressure to fill the fine details of the Distinktive stamp. You should be able to see the image and lines on the stamp. If not, you may need to "dauber" to remove some of the ink.
 - d. If the stamped image is too light, you can reink and restamp in the exact same spot using the [Stamparatus](#).
 - e. I did the same technique (circles of ink with daubers) with the stems and leaf. However, I did a little swipe of the Granny Apple Green pad across the side of the stamp for the deeper accent on the edge.

6. Use the Big Shot, Magnetic Platform, and coordinating Lily Framelits Dies to crop the Lasting Lily stamped images (lilies, stems and leaf). VIDEO TIP: At about the 3 1/2 minute mark, this [Stampin' Up! video](#) shows you how to line up photopolymer stamps with the dies before stamping. This method is an incredible help in aligning the images with the dies.
7. Adhere the stems and smaller lily as shown with Snail Adhesive. Adhere the larger lily with Stampin' Dimensionals.
8. Tie a bow of Linen Thread and adhere with a Mini Glue Dot (rolled so that it doesn't show).
9. For the perfect polish – Use a Big Shot, Magnetic Platform, envelope liner die (Beautiful Layers Thinlits Dies) and the Floral Romance Specialty Designer Series Paper to create an envelope liner. Adhere to the inside of a Stampin' Up! Whisper White Medium Envelope.
