stampin' pretty
a step-by-step tutorial

Start with an 8 1/2 x 5 1/2 piece of Night of Navy card stock. Score the long distance at 2 1/8 and 4 1/4. Using a bone folder, set the score by folding "in" at 4 1/4. Use a bone folder again to set the score at 2 1/8 by folding "out" (opposite the direction of the previous score).

Use the [Stamparatus](#) to stamp the Handwritten Background Stamp in Night of Navy Ink onto a 1 7/8 x 5 1/4 piece of Whisper White card stock. Adhere to the outside flap as shown with Snail Adhesive.

Layer and adhere a 3 x 4 1/4 piece of Melon Mambo card stock to 4 x 5 1/4 piece of Whisper White card stock with Snail Adhesive. Adhere to the interior of the card with Snail Adhesive.

Use the [Stamparatus](#) to stamp the sentiment (Dandelion Wishes) in Night of Navy Ink onto a piece of Whisper White card stock. Crop with a die-cutting machine and the 2 1/8 Layering Squares "straight" die. Crop a piece of Night of Navy card stock with the 2 1/4 Layering Squares "scalloped" die. Adhere together and to the Melon Mambo card stock with Snail Adhesive.

Crop a piece of Night of Navy card stock with the Daisy Punch. Adhere a 1/2 circle of Melon Mambo card stock (cropped with the 1/2 Circle Punch) to the center of the daisy with a Mini Glue Dot.

Use a die-cutting machine to crop a piece of Whisper White card stock with a 2 5/8 Layering Square “straight” die and a piece of Night of Navy card stock with a 2 3/4 Layering Square “scalloped” die. Adhere the squares together with Stampin’ Dimensionals, leaving room to the ‘thread’ the ribbon between. Adhere the daisy to the center with Stampin’ Dimensionals.

“Thread” approx. 20 of Navy Gingham Ribbon (retiring) through two squares and around the card. Adhere the daisy scallop square to the “Handwritten” panel with Stampin’ Dimensionals. Tie the ribbon in a bow on the side as shown. It such a pretty way to keep the card closed.

TIP: For pretty packaging, use a cello envelope. You CAN send these by US Mail (USPS). I use a non-machinable stamp. For added protection, you can cover the top of the card with a piece of coordinating embossed card stock. I tucked the ribbon around the back for a clean look.
