From the Expressions In Ink Ephemera Pack, select the pre cut gold pieces of your choice.

Adhere the precut gold piece to the card with Mini Dimensionals and/or Dimensionals. (Tip: To adhere the delicate frames, place the Mini Dimensional on the back of the leaf where it overlaps the frame so that the Mini Dimensional holds both the leaf and the frame in place.)

Stamp the greeting on the 3/4" x 1-1/2" piece of Basic White in Shaded Spruce or Magenta Madness.

Adhere the greeting piece to the card with Dimensionals.

Place three sequins from the Expressions In Ink Ephemera Pack around the greeting and on the card front.

Inside the card, at the bottom, adhere the 3/4" x 4" strip of Designer Series Paper.

Stamp a greeting or image inside the card of your choice.
