Measurements, (full list of supplies is at the end of this document):

Granny Apple Green Cardstock: 5 1/2" x 5 1/2" for the Mini Curvy Box, scrap to punch apple and eyelids

Basic Black Cardstock: 2 3/4" x 5 1/2" for tag (piece is large enough for all 3 Halloween tags - use the other two on other projects), scrap for hair and eyebrows

Basic Gray Cardstock: two pieces 1/4" x 1", scrap to punch "bolts"

Whisper White Cardstock: scrap for eyes

Instructions:

Lay the Mini Curvy Die at an angle (with the rounded points in the corners) on to the 5 1/2" x 5 1/2" piece of Granny Apple Green so that it all fits on. Die cut.

Fold on all the score lines, then use the bone folder to curl each of the four sides of the box.

To assemble the box bring the two handles together, then bring up one of the sides with the slot. Place the slot over the handles, repeat with the remaining side.

With the 1/2" Circle Punch, punch two eyes from Whisper White cardstock, and punch one circle out of Granny Apple Green cardstock and cut it in half for the eyelids.

With the Hot Air Balloon Punch, punch out two "baskets" from Basic Gray cardstock for the two bolts.

With the Apple Builder Punch, punch two stems from Basic Black cardstock for the eyebrows.

With the Apple Builder Punch, punch out just the top portion of the apple from Basic Black cardstock for the hair (after punching, it should be about 3/4" tall). Take a pair of scissors and cut jagged triangles out of the straight edge of the "hair" to form the bangs. Adhere the hair to the top of the green apple piece with mini glue dots.

Adhere the eyebrows below the hair with the Multipurpose Liquid Glue.

Adhere the green eyelids to the white eyes with glue dots. Add the smallest black circles from the Monster Bash Enamel Shapes for pupils. Adhere the assembled eyes below the eyebrows with Dimensionals.

Adhere the bolts to the ends of the 1/4" piece of Basic Gray cardstock with glue dots, then attach these pieces to the back of the green apple "head" with glue dots, one on each side so that the only the bolts stick out from the head.

With the 01 Journaling Pen, draw a mouth and a scar with stitches.

Place a piece of Tear & Tape in the lower portion on the back of the green apple "head". Adhere the head to the Mini Curvy Keepsake Box.

Rub the Embossing Buddy on the 2 3/4" x 5 1/2" piece of Basic Black. Ink up the stamp with the 3 Halloween Tags using Versamark Ink, stamp on the Basic Black. Sprinkle Whisper White Embossing Powder liberally all over the images, tap off the excess. Use the Heat Tool to melt the embossing powder. Die cut the three tags with the Tag Trio Dies.

Adhere the "Sending a Halloween Hello" to the back of the Frankie box with a large Black Dimensional.
