A Perfect Birthday Card with Blessings of Home

Terri George

Step-by-Step Instructions:

1. Adhere a 4-1/8 x 5-3/8 piece of Fresh Freesia cardstock [CS] to a 4-1/4 x 5-1/2 (A2) Thick White [CS] Card Base; then adhere a 4 x 5-1/4 piece of **Heart & Home Designer Series Paper** on top of the Fresh Freesia CS – I used the Fresh Freesia floral print from the pack
2. Using Memento Black ink, stamp the large floral image from the **Blessings of Home Stamp Set** onto a piece of Basic White CS; using **Stampin' Blends** (So Saffron, Fresh Freesia & Soft Succulent) color in the image
3. Crop out the large floral image using the coordinating Die from the **Flowers of Home Dies**
4. Stamp the Birthday Greeting on a 3/8 x 4 strip of Basic White CS using Memento Black ink; then snip the ends off at an angle so the strip ends up being apx. 3-1/8 long
5. Stamp any Inside Sentiment desired to the inside of the Card Base using Memento Black ink
6. Distress (or tear) the edges of a piece of Vellum CS so that you end up with a piece apx. 2 x 3
7. Cut a length of **Fresh Freesia Open Weave Ribbon** apx. 20 long; loop the ribbon back and forth and use a stapler to attach it to the center of the Vellum CS – use Mini Glue Dots to hold in place as needed
8. Adhere the Vellum/Ribbon piece to the Card Front with Stampin' Seal – keep the adhesive under the area that the Floral Image piece will cover
9. Adhere the Greeting strip to the Floral Image piece – the “birthday” part of the greeting should overhang on the right side; add a couple of Mini Stampin' Dimensionals under that area
10. Add Stampin' Dimensionals to the back of the Floral Image piece – especially to the top and bottom areas – and adhere over the Vellum/Ribbon piece

11. Decorate your envelope flap if desired – I used a yellow print from the **Hand-Penned Designer Series Paper** pack, cut to 2-1/4 x 6; glue to envelope flap and trim off overhang with your Paper Snips
