Birthday Cheer – Retiring June 3rd

I love everything about this card and it's just soooooo happy! Would you like to get ALL of the things to make it? Well, now is the time because it's retiring and will be gone forever Or it will be listed on eBay for twice the price. Birthday Cheer Bundle is \$45 (page 17). Buy it NOW and get the BUNDLE price at 10% off along with the How Sweet It Is Designer Series Paper, the Gingham Galla Paper. These will be gone! I used Pineapple Punch Cardstock as the card base. Can you say HAPPY? The How Sweet It Is Designer Series Paper has colors Coastal Cabana, Gorgeous Grape, Granny Apple Green, Melon Mambo, Pineapple Punch and of course Whisper White. Add the Gorgeous Grape Striped Ribbon and the Gorgeous Grape Classic Stampin' Pad and you'll have everything you need to use these instructions to make easy cards. You can make so many cards using these two bunches of Designer Series Paper and a few colors of cardstock. The stamp set and machine dies also has a cupcake and a gorgeous row of presents...there's so much you can do with this set for the happiest birthday cards!

One more look to check out is the BUNDLE Sweetest Thing Stamp Set and Jar of Sweets Framelits Dies (page 15). If you're going to make Birthday Cards, these sets are amazing.
