This gift card holder is a CASE (Copy And Share Everything) project that I got from fellow Stampin' Up! demonstrator Su Mohr at Aromas and Art. You can see her original post [HERE](#). I love how versatile this is and it is so quick and easy to put together. You could whip up a bunch of these in no time! Read on to see how to create these fun gift card holders.

Cut & Score Your Paper:

1. Cherry Cobbler Cardstock: 7 3/4" x 5"
2. Whisper White Cardstock: 4 3/4" x 1 1/2"
3. Reindeer Paper from Wrapped in Plaid (6" x 6") Specialty Designer Series Paper: 4 3/4" x 2 1/4" AND 4 3/4" x 1 1/2"
4. Place your Cherry Cobbler Cardstock on your Paper Trimmer so it is horizontal and use your scoring blade and score at 6" and 2 1/2".

Make Your Sentiment:

1. Stamp your sentiment in Cherry Cobbler Ink onto a piece of Whisper White Cardstock.
2. Line up the sentiment in your Stitched Nested Label Dies and run through a die cutting machine.
3. Take 2 of the smaller Shaded Spruce Rhinestones and adhere them to where the dots are on the sentiment.

Assemble Your Card Holder:

1. Use your Snail Adhesive to adhere your 2 Reindeer paper pieces to the outside of your Cherry Cobbler Cardstock. Be sure to adhere them on the correct position if your paper is directional, we don't want upside down reindeer!
2. Use your Snail Adhesive to adhere the 4 3/4" x 1 1/2" Whisper White Cardstock piece to the inside of the scored Cherry Cobbler Cardstock (see picture below for reference).

3. Now take your 1 3/8" Circle Punch and punch halfway down on the bigger section of the Cherry Cobbler Cardstock to make a small area where you can grab the gift card.
4. Take your Tear & Tape and put two strips on the same section that you punched. This will seal this section creating a pocket for your gift card.
5. Use your Snail Adhesive to adhere the sentiment to the front of your gift card holder.

6. Take 2 Mini Glue Dots and adhere them to the bottom half of your sentiment, this is what will seal the gift card holder. (I would recommend tearing off your Mini Glue Dots and sticking them on and leaving the paper on the back of the Mini Glue Dots until you are ready to seal and deliver your gift card holder.)
