Decorate the Front:

1. Rub the bottom of the Highland Heather layer with your Embossing Buddy to remove any static.
2. Stamp your sentiment in Versamark and then sprinkle with White Stampin' Emboss Powder.
3. Heat with your Heat Tool to set.
4. Use your Fine-Tip Glue Pen to apply a few small dots of glue to the front.
5. Use your Take Your Pick Tool to grab some of the white gems and apply.
6. Take a fussy cut flower and apply with a glue dot as shown.
7. Take your umbrella punched from the Pleased as Punch DSP and your umbrella handle punched out in Smoky Slate cardstock and glue them onto the front of the window sheet using your Multipurpose Liquid Glue.
8. Adhere a ribbon made from the Whisper White Baker's Twine to the front of the umbrella using a Mini Glue Dot.

Make Your Shaker:

1. Rub your Window Sheet with your Embossing Buddy to ensure that the shaker elements won't stick to it.
2. On the backside of the Highland Heather layer, apply Multipurpose Liquid Glue and then adhere your Window Sheet.
3. Use your Foam Adhesive Strips and make a border around the window opening. Also apply a strip of Foam Adhesive Sheets to the bottom of the layer to ensure the whole thing adheres evenly to the card base.
4. Insert the shaker elements, the fussy cut flowers (I used about 7-8), the white From My Heart Faceted Gems and the Dazzling Diamonds Stampin' Glitter.
5. Removed backing from the Foam Adhesive Strips and apply the card base to it and you're done!
