Directions:

1. Use the border die with the circles from the Ornate Thanks Bundle and run the 2 Whisper White Pieces through your die cutting machine to cut your borders. Try to put the dies as close to the edge as possible, you want a bit of white left on the edge to put some Snail Adhesive on.
2. Put Snail Adhesive on your white edge of your 2 Whisper White borders that you just cut and adhere the Floral DSP layer to the top of these border pieces.
3. Apply Snail Adhesive to the back of the Floral DSP Layer and White Border combination and adhere to the front center of the card as shown in the example.
4. Secure your Whisper White Piece for your sentiment on your Stamparatus with your magnet. Position the stamps on your Whisper White Piece and once you are satisfied with the positioning, put the Stamparatus place on the stamps to secure them in place.
5. Ink up your stamps with your Tuxedo Black Memento Ink and stamp.
6. Apply a line of Snail Adhesive to the center of the back of your sentiment piece.
7. Layer your ribbon on the back using a swooping motion ensuring to overlap the ribbon slightly with each pass. (see photo below for reference)
