Instructions:

1. Trim the 4" x 6" card from the Reindeer Fun Memories & More Card Pack down by cutting 3/4" off both ends. You may need to trim it down my 1/8" on one side to make it fit in the shadow box.
2. Once trimmed, adhere the card to the bottom section of the shadow box using Multipurpose Liquid Glue.
3. Stamp "Merry Christmas" from the Reindeer Fun Stamp Set in Real Red Ink on to the 1/2" x 4-3/8" Basic White strip. If necessary trim the edges to make the strip fit in the shadow box then adhere to the top section above the card using Multipurpose Liquid Glue.
4. Die cut the reindeer as shown below and adhere the pieces together with Multipurpose Liquid Glue.

5. Die cut the garden green wreath and real red bow and adhere to the deer, set aside to dry.
6. Die cut and Early Espresso banner using the second largest die from the Something Fancy Dies.
7. Use the 2" Circle Punch to punch out a white wood circle from the Country Woods 12" x 12" DSP then adhere it on to the Early Espresso banner.
8. Pop up the reindeer on to the circle/banner combo using Stampin' Dimensionals.
9. Cut a 1" strip of Real Red and Granny Apple Green paper from the Festive Glimmer Paper.
10. Add Foam Adhesive Sheets to the back of each glimmer paper strip.
11. Cut small pieces from the strip to cover the desired letters you need to die cut from the Mini Alphabet Dies.
12. Place the Mini Alphabet Die cut side up on your embossing machine then flip the glimmer paper over so that the glimmer paper is face down on the Mini Alphabet Die and the Foam Adhesive Sheet is facing up and run through the embossing machine. This will ensure that your dies are right side up AND it is easier to see what you are die cutting. See picture below for reference.

15. Pop up the reindeer banner in the center of the shadow box using Stampin' Dimensionals and your shadow box is ready for gifting!
