Make Your Lily Pad:

1. Stamp 2 leaves and 1 small lily in Tuxedo Black Memento Ink onto a piece of scrap Whisper White paper.
2. Color the lily with your Flirty Flamingo Stampin' Blends Combo Pack. Use the darker shade to color the inside base of each petal then color the whole thing with the lighter shade.
3. Color your leaves with your Granny Apple Green Stampin' Blends Combo Pack. Use the darker shade to line the inside of the leaf and under the curve then color the whole thing with the lighter shade.

Note: If it doesn't look like the colors are blending then keep coloring over the darker shade with the lighter shade. The more you mix them together the more the markers will pull the alcohol out and blend together.

4. Run the small lily and leaves through your embossing machine with the Lily Pad Dies.
5. Position the vellum on your Stamparatus. Apply your magnet over the Vellum to secure it in place on the Stamparatus then rub the Vellum with your Embossing Buddy. Position your water stamp where you want it then close the Stamparatus plate to secure the stamp in place. Ink in Bermuda Bay ink, stamp. Then ink in Versamark, stamp. Now sprinkle with Clear Stampin' Emboss Powder and flick paper to remove excess. Heat with Heat Tool.

6. Adhere the leaves to the lily using Snail Adhesive then adhere this to your water also using Snail Adhesive.

7. Cut out the second largest oval from the Stitched Shapes Dies in Coastal Cabana. Adhere your lily in water to your oval using Stampin' Dimensionals.

Make your Sentiment:

1. Place a scrap piece of Coastal Cabana Cardstock on your Stamparatus. Apply your magnet to secure the paper in place. Position the "Another Sensational Year of You!" sentiment from the Sending You Thoughts Cling Stamp Set onto your Coastal Cabana Cardstock then close the Stamparatus plate to secure the stamp in place. Rub the cardstock with your Embossing Buddy. Ink up the sentiment in Versamark, stamp. Now sprinkle with White Stampin' Emboss Powder and flick paper to remove excess. Heat with Heat Tool.

2. Run your sentiment through a die cutting machine using the second smallest die from the Nested Stitched Labels Dies.

3. Apply 3 Holiday Rhinestone Basic Jewels in Coastal Cabana as shown, set aside.

Assemble Your Card:

1. Adhere the Lily Impressions DSP layer to the Whisper White Cardstock layer using your Snail Adhesive.

2. Adhere 2 Mini Glue Dots to the backside of your Whisper White Cardstock layer towards the bottom on the left and right edges. You will need 2 Mini Glue Dots on the left side right along the edge, and 2 Mini Glue Dots on the right side right along the edge

3. Now cut two pieces of Old Olive/Pretty Peacock 3/8" Reversible Ribbon. Stick the end of one piece to the left side and the end of the other piece to the right side to the Mini Glue Dots to secure your ribbon in place. Now tie a flat bow.

4. Trim your ribbon tails as necessary. Secure the ribbon to the front of the card using 1 Mini Glue Dot under the ribbon toward the right side of the card.

5. Adhere the Lily Impressions DSP/Whisper White layer to your Granny Apple Green card base using your Snail Adhesive.

6. Adhere your lily pad oval to the front of your card as shown using Snail Adhesive.

8. Stamp your card liner with the "Happy Birthday" sentiment from the Sending You Thoughts Cling Stamp Set in Bermuda Bay ink.

9. Adhere the card liner to the inside of your card using Snail Adhesive.

Voila! Your card is now complete!
