## **Instructions:**

1. See my quick tip for stamping the background image using your Stamparatus by [watching this video](#).
2. After you have stamped your background image, use your Paper Trimmer to trim your paper down to 3-3/4" x 5".
3. Adhere the background layer to your Basic White Layer then adhere to the card front using Stampin' Seal.
4. Stamp your sentiment from the Pansy Patch Photopolymer Stamp Set on to your Basic White Sentiment Strip then use your Paper Snips to cut excess at an angle as shown in the photo.
5. Adhere the sentiment strip using Stampin' Seal and your card is done!
