2. Color the sunflowers and leaves with Daffodil Delight, Granny Apple Green and Crumb Cake Stampin' Blends.

3. Die cut the leaves and sunflowers using the Sunflowers Dies and your Stampin' Cut & Emboss Machine.

Make Your Embossed Wood Layer:

1. See photo tutorial below on how to ink up your Pinewood Planks 3D Embossing Folder to get a deeper embossed image. You will do this on the Crumb Cake layer with Crumb Cake ink.

1. Find the side that is the top of your folder, this is the side that we will be inking up.

2. Take your ink pad and slide it from left to right in one smooth motion.

3. Place paper in your embossing folder and run through your embossing machine.

4. Look at all of that depth and be thoroughly impressed by how awesome your card is about to be!
