Gather and Cut Your Paper Pieces

1. Cut the following:

- Basic Black Cardstock: Base: 8" x 4 1/4" AND Front Card Message Strip: 4" x 1"

- Whisper White Cardstock: 4" x 2 3/4"

- Monster Bash DSP: (2 strips EACH of the potion paper sheet and the book paper sheet) 4" x 1"
AND the yellow scroll paper sheet for the Dracula wall background: 4" x 2 3/4"

Stamp and Die Cut

1. On a separate scrap piece of Whisper White Cardstock stamp a Dracula image using your Stamparatus and your Tuxedo Black Memento Ink Pad.

2. Also stamp the "So Glad We're Such Ghoulish Friends" sentiment using your Stamparatus and your Tuxedo Black Memento Ink Pad on a piece of scrap Whisper White Cardstock.

3. Clean both stamps with your Simply Shabby and put away.

4. Die cut the Dracula image and the Ghoulish Friends sentiment.

5. Now grab a scrap piece of Basic Black Cardstock and die cut the smaller scroll frame to use as a background for Dracula.

Scoring

1. Take your Basic Black Cardstock base that is 8" x 4 1/4" and lay it horizontally on your Stampin Trimmer. Using the scoring blade, score 1 1/4" and 2 1/2" on one side, flip it and do the same on the other side. (see picture above for reference)

2. Use your bone folder and burnish the edges to make them nice and crisp. Bend the 2 1/2" section inward and burnish. Bend the 1 1/4" outward and burnish. Repeat on opposite side.

Assemble

1. Using your Snail Adhesive, attach the yellow scroll paper in the middle section, then the book paper strips in the section next to that and the white message base on the opposite/backside of where the yellow scroll paper is. DO NOT adhere the potion strips yet.

2. Bend one portion of your card, as you would if you are going to insert it into an envelope to mail it (see picture above). Take your 4" x 1" strip of Basic Black cardstock and put Tear and Tape on one side. Use your bone folder to rub it to ensure that it's on good. Take off Tear and Tape backing and center the Basic Black Cardstock strip between the two outer most sections of the card as seen in picture above. Additionally, center it above the bottom edge, about 1/4" or so. You don't want it to line up with the bottom edge.
3. Now that we have the sentiment base strip on you can use your Snail Adhesive and adhere the potion strips to the outer sections.
4. Take the Ghoul Friends sentiment and apply Snail Adhesive and center in the black strip.
5. Use 2 of the smaller Gray Circle Enamel Shapes from the Monster Bash Enamel Shapes and center them in the sentiment frame.
6. Using your Snail Adhesive adhere the Dracula die cut to the black scroll frame. Apply 3 Stampin Dimensionals to the back of the Dracula frame and center on the yellow scroll background.
7. Use your Whisper White Envelopes to mail them out. I also stamped the "Open if you Dare" sentiment on the bottom left hand of the front of my envelope using the Tuxedo Black Ink for a little more pizzazz.
8. You're all set! I hope these directions were completely clear. If you have any questions, feel free to contact me anytime. You can e-mail me at stampcampwithjen@gmail.com.
