This adorable Lip Gloss Stocking Stuffer is a CASE (Copy And Share Everything) project from Pootles Papercraft, a UK Stampin' Up! Demonstrator. You can see her original YouTube video post [HERE](#). She uses it as a multipurpose gift box but I found that they are the perfect size for a lip gloss tube.

Read on for the complete PDF instructions. I hope you enjoy this sweet little project!

Don't forget that you can click on the tools in the list below to purchase them from me.

Scoring:

1. Take your Wrapped in Plaid Specialty Designer Series Paper and place it horizontally on your score board. Score a line at $7/8$ ".
2. Turn your paper and score two lines all the way down the paper at $1/2$ " and $2\ 1/4$ ".
3. **Important!** Make sure that you place your paper on your Paper Trimmer so that the scored $1/2$ " section is on your left hand side and your horizontal $7/8$ " scored section is at the bottom of your paper as you are looking at it right now.
4. Once you have your paper placement, now you will bring the scoring blade up from the bottom of your paper as you score.
5. Score two partial score lines just to the horizontal line. Score them at $1\ 3/8$ " and $3\ 1/8$ ".

Fold:

1. Fold all of your full score lines and rub or "burnish" with your bone folder.

Cut:

1. Cut the bottom of the box just up to the horizontal score lines. You will have 4 boxes and 1 rectangle piece. The rectangle will be cut off completely.

Punch:

1. Take your Tear & Tape and place it on the small piece of your box and burnish with your Bone Folder to make sure that the tape is secure on the paper.
2. Remove the paper on the Tear & Tape and adhere it to the side of the box so that it is folded flat and closed.
3. Punch the end that doesn't have the 4 squares with your Scalloped Tag Topper Punch.

Assemble Your Box:

1. Find the two squares that are on the front side of your box, these will be glued down last.
2. Using your Multipurpose Glue, fold one square in, place some glue on the outside of the square, then fold the next square on top. Repeat until all 4 squares are glued down.
3. Now flip your box so that it is standing right side up and take your Bone Folder and put it inside of the box and rub the inside bottom of the box to reinforce the glue to the bottom.

Make Your Sentiment:

1. Take your Whisper White Cardstock piece and use your Night of Navy Classic Stampin' Pad to ink up the "Ho Ho Ho" Sentiment and stamp this on the center of the cardstock.
2. Take this piece and insert each end into the Banner Triple Punch just until the edge barely goes into the punch and punch your ends. See picture below for reference.

3. Embellish with two small Holiday Rhinestone Basic Jewels in Shaded Spruce.
4. Dab a small amount of the Multipurpose Glue and adhere to the front of your box.

Add the Finishing Touches:

1. Before closing up your box, insert your lip gloss now.
2. Take a piece of the Shaded Spruce/ Gold Striped Ribbon and slide it through the top of your box.
3. Take a piece of Whisper White Solid Baker's Twine, slide a Jingle Bell onto it, and then double knot the twine around the base of your Shaded Spruce/Gold Striped Ribbon. This will make it easier to tie your bow. Now tie your bow.

Voila! Your Lip Gloss Stocking Stuffer is now complete!
