This card is one that I found during a Pinterest search for ideas. It was created by Leanne Dunn, you can see her original work [HERE](#).

I just thought it was so beautiful and different, so I knew I really wanted to make it for an upcoming Stamp Camp class. Read on to see how to make the card and a cute and simple coordinating tag.

Don't forget that you can click on the tools in the list below to purchase them from me.

## **Make Your Card:**

### **Cut Your Paper:**

Sahara Sand Card Base: 5 1/2" x 8 1/2"

Sahara Sand Layered Piece: 5 1/4" x 4"

Plaid Piece: 2" x 4"

Whisper White Cardstock: 2 1/8" x 4"

### **Swirls and Curls Embossing and Assembly:**

1. Fold your Sahara Sand card base in half and rub or "burnish" with your Bone Folder, set aside.
2. Take your Sahara Sand layered piece and insert it in the center of your Swirls & Curls Textured Embossing Folder and run it through your die cutting/embossing machine.
3. Put Tear & Tape all along the back of your embossed piece and center it on your card base.

### **Plaid Layer Assembly:**

1. Apply snail adhesive to the back of your Plaid Paper peice and center it onto your Whisper White Cardstock piece.
2. Take 4 Mini Glue Dots and center them on the center of the back of your paper so that you have two rows of two Mini Glue Dots in the middle of your card. This will help your twine stick.
3. Wrap the Night of Navy/Sahara Sand Baker's Twine around the card 3-4 times, depending on your preference (I did 4), leaving enough of a tail at either end to tie your bow on the front right side of the plaid piece. Trim any excess twine.
4. Put Tear & Tape on the back of the plaid layer and center it on your Swirls & Curls base.

## **Circle Tree Assembly:**

1. Grab a scrap piece of Whisper White cardstock and rub your Embossing Buddy over it to prevent any possible static on the paper. This will prevent any stray embossing powder from sticking where its not wanted.
2. Take your tree stamp from the Perfectly Plaid Photopolymer Stamp Set from the Perfectly Plaid Bundle and stamp it in Versamark then stamp onto the scrap Whisper White Cardstock.
3. Pour Gold Stampin' Emboss Powder over the Versamark stamped image and tap gently to remove any excess powder.
4. Use your Heat Tool to make the powder come to life.
5. Take a scrap piece of Sahara Sand Cardstock and use your Tree Punch to punch out a tree.
6. Take the second largest circle die from the Stitched Shapes Dies and center it on your Sahara Sand Cardstock with the tree punched out. Run it through your die cutting machine.
7. Take the Whisper White Cardstock gold embossed tree and center your Sahara Sand Cardstock tree over it. Place the die directly above it and take a piece of washi tape to secure it to the Whisper White Cardstock to hold the die in place. Lift the die up and remove the Sahara Sand Cardstock circle and then run your remaining Whisper White Cardstock through the die cutting machine.
8. Take your Snail Adhesive and run it on the back side of your Sahara Sand Cardstock circle and adhere it to your Whisper White Cardstock gold embossed tree.
9. Take 3-4 Stampin' Dimensionals and place them on the left side of your plaid layer above and below the twine. Secure the circle tree layer to the Stampin' Dimensionals.

## **Make Your Tag:**

1. Take a piece of Sahara Sand Cardstock cut at 2" x 4" and punch out one end in your Scalloped Tag Topper Punch.
2. Use your Tree Punch and punch out a tree in the coordinating plaid paper.
3. Stamp your sentiment in Night of Navy Ink and stamp on the bottom of the tag.
4. Use your Snail Adhesive and adhere your plaid tree to the front center of your tag.
5. Add some Night of Navy/Sahara Sand Baker's Twine and you're tag is complete!

**Voila! Your card and coordinating tag are now done!**
