Stamping & Coloring:

1. Stamp the sentiment in Real Read ink on to the center of the sentiment strip.
2. Stamp 3 stockings in Tuxedo Black Memento Ink on to a scrap piece of Whisper White cardstock.
3. Coloring the stockings using Granny Apple Green Stampin' Blends.
4. Fussy cut the stockings using a pair of Paper Snips.

Make Your Fireplace:

1. Take your Whisper White piece for your embossed layer and place it in your Brick & Mortar 3D Embossing Folder and run it through your Stampin' Cut & Emboss Machine.
2. Use the second largest oval from the Stitched Shapes Dies and place the top half of the oval on the bottom section of your embossed layer and run it through your Stampin' Cut & Emboss Machine to die cut the opening for the fireplace. Use the Magnetic Plate to keep everything in place while die cutting.
3. Punch 3 tulips and 3 leaves, about 1/3 of the top of each piece, in Pumpkin Pie cardstock.
4. Piece the tulips and leaves together and adhere using Multipurpose Liquid Glue to create your fire.
5. Adhere your fire to the bottom center of your Basic Black Strip using Multipurpose Liquid Glue.
6. Apply Wink of Stella to the fire to make it sparkle.
7. Use Stampin' Seal+ on the back of the oval border on your embossed layer and adhere the Basic Black strip underneath so that the fire is centered in the fireplace opening.
8. Adhere the embossed layer to your card front using Stampin' Seal+.

Finish Your Card:

1. Place the 3 stockings in the top center of your card and adhere with 2 Glue Dots on the back of each stocking. Make sure to angle the stockings a bit so it looks like they're hanging from the mantle.
2. Adhere the Merry Christmas mantle strip over the stockings using Stampin' Seal. Make sure to overlap the mantle so it looks like the stockings are hanging underneath the mantle.
3. Apply some of the Real Red Wonderful Gems to the mantle as shown and you're card is done!
