Cut Your Paper:

1. Early Espresso Card Base: 5 1/2" x 8 1/2"
2. Early Espresso Card Layer: 4 1/8" x 5 3/8"
3. (6) Floral Hearts (punched from the Heart Punch Pack)
4. (6) Gold Foil Hearts (punched from the Heart Punch Pack)

Emboss:

1. Secure your Early Espresso Card Layer on to your Stamparatus with your magnet. Position the stamps toward the bottom center as shown in the example and once you are satisfied with the positioning, put the Stamparatus place on the stamps to secure them in place.
2. Ink up the stamps with Versamark and stamp. Sprinkle with Gold Stampin' Emboss Powder and flick the paper to remove any excess powder. Set with your Heat Tool.

Assemble:

1. Adhere the 6 Floral Hearts to the 6 Gold Foil Hearts using Snail Adhesive.
2. Position the hearts as shown in the example and adhere with Snail Adhesive. It is easiest to start with your center hearts and work from there. (see photo below for reference)

3. Once your hearts are adhered to the Early Espresso Layer, flip it over and trim the excess heart pieces away using your Paper Snips.

4. Apply a bunch of Stampin's Dimensionals (and I mean a bunch!) to the back of your Early Espresso Layer and adhere it to your Early Espresso Card Base and you're done!

P.S. See the showcase below to see all of the products used for this card. If you would like to see additional details or buy them in my online store, simply click on the desired product. Thank you!
