Cut Your Paper:

Whisper White Layer: 4" x 5 1/4"

Sahara Sand Layer: 4 1/8" x 5 3/8"

Petal Pink Card Base: 5 1/2" x 8 1/2"

Make Your Background:

- Punch out the small balloon from the Balloon Bouquet Punch on a scrap piece of paper. You may need to tape more paper to the sides so that you don't accidentally sponge over the sides of your template and make smudges on your background.
- Start at the top and sponge the various colors you have chosen make sure to place them in varying heights for some added interest. To sponge, tap the Sponge Dauber in your ink pad and then tap the Sponge Dauber in the center of your balloon template and then rub the ink around to blend.
- When moving to the next line of balloons, skip a few colors in your rotation so that you don't have the same colors right next to each other. Continue sponging until your whole background is complete.

Stamp:

1. Secure a scrap of Whisper White cardstock on to your Stamparatus with your magnet.
2. Place the sentiment where you would like it on your Whisper White cardstock and then place your Stamparatus plate on top of the stamp to secure it in place.
3. Ink up your stamp with Highland Heather ink and stamp.
4. Use the second largest oval from the Stitched Shapes dies to cut out your sentiment.

Assemble:

1. Place 2 small pieces of Tear & Tape on the back center edges of your balloon background layer, this will secure your ribbon in place.
2. Use your Paper Snips to cut a piece of Purple Posy 1/2" Scalloped Linen Ribbon that is slightly wider than your balloon layer.
3. Use the spatula end of your Take Your Pick tool to remove the paper backing on your Tear & Tape and adhere the ends of the ribbon to the Tear & Tape.
4. Apply more Tear & Tape to the Purple Posy ribbon and adhere the Very Vanilla 1/2" Lace Trim directly on top.
5. Line up the oval sentiment toward the edge of the balloon layer and snip off the excess so that the oval piece has a straight edge to line up.
6. Adhere Stampin' Dimensionals on the side of the card and adhere the oval sentiment piece.
7. Adhere the layers using Snail Adhesive and then apply some Pearl Basic Jewels as shown and you're done!
