### Ornate Garden Card #1

1. Take a sheet of 8 1/2" x 11" cardstock (CS) and score on the 8 1/2" side at 4 1/4" then rotate to the 11" side and cut at 5 1/2". That will give you 2 card bases.
2. Cut your first layer of Crushed Curry at 5 1/4" x 4"
3. Cut a piece of Whisper White CS at 5" x 3 3/4" and to that glue a piece of Designer Series Paper (DSP) cut at 1 3/4" x 5". Then take a piece of Mint Macaron CS 2 1/4" x 5" and run through your Big Shot using the Ornate Floral 3D Embossing Folder and glue to the Whisper White CS butting up to the DSP
4. Using a scrap of Whisper White die cut out the boarder die from the Ornate Thanks Bundle and glue close to the seam of the 2 papers above
5. I used two ribbons....Whisper White Flax Ribbon and Mint Macaron Sheer Linen Ribbon to hide all the seams
6. Cutting out my label was a little tricky. It measures approxiately 3 1/8" x 2 3/8". I used from the Ornate Style Bundle the largest skinny die and shortened it by not running it through all the way in my Big Shot, then cut the other side the same way.
7. Stamp your sentiment on the label and pop it up on dimensionals
8. Used Bakers Twine to tie a small bow and attach
9. Complete the inside as you choose and don't forget to sign the back of your cards and embellish your envelope too!

Here's a list of all the products that I used:
