

# What is a NACWE Gathering?

A NACWE Gathering includes the following important pieces and can be hosted virtually or live with a large group or a small coffee discussion. A NACWE group is about you and me, connecting. It is about sharing our dreams, ideas, plans, and entrepreneurial endeavors. It is about walking side by side knowing that there is plenty to go around in God's Kingdom and His economy.

**G = God-Centered** We pray at each gathering and invite God to be a part of our time together as we learn more about each other.

**A = Action Steps** We create action plans and written goals that we can implement after we leave and throughout the next few weeks.

**T = Training & Handouts** We use the tools, handouts, and checklists provided from The Inspired Business Toolkit or the discussion as a springboard to help us stay on track.

**H = Heartfelt Conversation** We embrace each other without a spirit of competition knowing that we want to be authentically who God created us to be. We celebrate truth and honor "real" conversations.

**E = Encouragement from Sisters in Christ** We intentionally encourage our colleagues and lift them up. We know that we are better together.

**R = Refreshment of the Heart, Mind, and Spirit** We create a safe place to be refreshed before going "back out there". We honor the passion and calling of entrepreneurship and also help each other remember to take time out for self-care.
