Re: Contract No. MNWNC-118, Contract Title: Computer Equipment

Dear Mr. Sarna:

In accordance with the terms and conditions of Contract No. MNWNC-118, the State of Minnesota is exercising its right to suspend this Contract due to non-compliance with EPEAT Certification as required in the RFP. The Contract requires all vendors to manufacture at a minimum an EPEAT bronze status in the Desktop, Laptop and Tablet Bands. As of the date of this letter, EPEAT certification has not been received.

An email notification was provided to you on May 2, 2016 constituting the State's written 30 day notice of suspension. Upon suspension, your Contract information will be removed from the NASPO Website and all sales must cease.

Termination of the Contract will occur if EPEAT certification is NOT obtained by August 2, 2016.

Thank you for the service your company has provided during the period of this Contract.

Sincerely,

A handwritten signature in blue ink that reads "Susan Kahle".
