## Comprehensive Nationwide Managed Travel Program

*Designed by state government for state and local government*

The NASPO ValuePoint Travel Programs are your one-stop solution to setting up a managed travel program for your entity with very little time and upfront investment.

Approximately \$4 billion is spent annually on State Government travel with very little control on how those funds are spent. The NASPO ValuePoint Travel program is your opportunity to control it.

(Search Travel)

The NASPO ValuePoint Travel Center offers discounted rates on travel for all 50 states. All government entities are eligible to use the Travel Center through one of two levels. The first is basic level, which grants access to discounted lodging. The second is the custom level, which offers additional savings through discounted air and vehicle rental.

**Basic Level**

Access through NASPO ValuePoint Lodging

- Easy to use hotel online booking capability
- Access to more than 10,000 hotels offering at or below GSA per-diem rates
- Participation of more than 50 major hotel chains
- Guaranteed vendor rates
- Available to all states, cities, counties, universities and other political qualifying participants under their respective states cooperative purchasing programs

**Custom Level**

Access through NASPO ValuePoint Travel Center

- All basic level features
- Discounted airline program through Southwest Airlines
- Discounted vehicle rental program through Enterprise/National and Hertz
- Full reporting and data management tools
