Failure to do so may result in the Contract Vendor being held in default. This consent requirement includes reassignment of the Contract due to a change in ownership, merger, or acquisition of the Contract Vendor or its subsidiary or affiliated corporations. Rapid Emergency Response Strategic National Stockpile (SNS)
Minnesota Department of Health (MDH) Delivery and Distribution Protocol

At the request of the State of Minnesota, Exhibit B is made part of and incorporated into this Contract.

I. Definitions

"Emergency" refers to any event or circumstance that may overwhelm public health or healthcare capacity to an extent where supplemental supplies from the federal government are requested to fill the gap.

"Dispensing Site" refers to the community locations where the public receives prophylactic medicines and supplies.

"Hazardous Materials" means a substance or material that the Secretary of Transportation has determined is capable of posing an unreasonable risk to health, safety, and property when transported in commerce, and has designated as hazardous under section 5103 of Federal hazardous materials transportation law (49 U.S.C. 5103).

"Receive, Stage, Store Site (RSS)" refers to the warehouse where the state receives and redistributes Strategic National Stockpile (SNS) materials. Minnesota has more than one RSS site that could be used depending on weather conditions, the circumstances of the emergency, or other considerations. Mass dispensing would primarily be done at the local public health level.

Link to the MDH regional map (each region has a public health coordinator):
<http://www.health.state.mn.us/divs/idepc/epis.jpg>

"Strategic National Stockpile (SNS)" is the United States' national repository of antibiotics, vaccines, chemical antidotes, antitoxins, and other critical medical equipment and supplies for use in a public health emergency severe enough to cause local supplies to run out. Once requested by the governor, SNS materials will arrive in 12 hours or less.

"Treatment Centers" are the locations in a community where sick or injured people receive treatment. These may include hospitals, clinics, and other sites.

"Contract Vendor" as used throughout this Exhibit B shall be defined to include the contracted company, its affiliated companies, including without limitation, its successors, subsidiaries and affiliates, and the agents, servants, officers, shareholders, and employees of any of the foregoing.

II. Responsibilities:

A. MDH:

1. Advises Contract Vendor within one hour of the governor requesting SNS materials be sent to the State of Minnesota.
2. Determine best RSS location and inform Contract Vendor of which location will receive SNS materials.
3. Provide Contract Vendor a list of Dispensing Sites and/or Treatment Centers for delivery of SNS supplies, along with 24/7 contact information for those sites and the RSS.
4. Identify the materials and quantities that will arrive at the RSS.
5. If necessary, coordinate law enforcement assets to provide security for drivers, vehicles, and SNS materials.
6. Authorize appropriately credentialed Contract Vendor's personnel into the RSS warehouse, Dispensing Sites, and Treatment Centers.

7. Reimburse Contract Vendor for its costs incurred in the course of exercising or assisting with an Emergency requiring SNS activation. Contract Vendor will submit an itemized list of expenses resulting from their direct support of the SNS distribution to MDH. Pricing must reflect all inherent costs as detailed in the Contract Vendor's (Rates and Service Guide) for Rapid Emergency Response. MDH will coordinate reimbursement of approved expenses through available assistance programs and make payment to the Contract Vendor as soon as practicable. MDH may deny costs which are not substantiated or related to the Rapid Emergency Response. The Contract Vendor must invoice for costs incurred within 30 days of expiration of the Rapid Emergency Response.
8. At the time of incident, the Contract Vendor must be able to protect transported materials from temperature extremes so that the environmental condition within the packaging is maintained over the length of the transport period. Items that need to be refrigerated or frozen will be labeled. The transported materials will be packaged according to Federal regulations; the packages need to be handled in a safe manner. The Contract Vendor may be required to have a cooler in their vehicle and to provide the appropriate temperature at all times.

1. At all times, the Contract Vendor must maintain full and complete discretion and authority as to the use and allocation of the resources it provides.
2. Provide MDH with transportation services for distribution of SNS materials from the RSS warehouse to local Dispensing Sites and/or Treatment Centers, or, once the emergency has ended, from the local Dispensing Sites and/or Treatment Centers back to the RSS warehouse.
3. Provide for distribution, package tracking, inventory management, and Proofs of Delivery (POD) for all SNS materials transported by Contract Vendor.
4. Participate in SNS distribution exercises, to the extent mutually agreed upon in advance by both parties.
5. Provide MDH with 24-hour contact information for the individual(s) authorized to activate transport functions, and notify MDH of any changes to such contact information.
6. Submit to MDH, for reimbursement, Contract Vendor's determination of all costs incurred in the course of exercising or assisting with a Rapid Emergency Response requiring SNS activation. This determination will be an itemized list of parcel delivery expenses resulting from Contract Vendor's direct support of the SNS distribution.

8. Establish and test communication plans for drivers to communicate with dispatcher(s) in the event of a Rapid Emergency Response.

Based on this authority, the Commissioner of Administration enters into a joint powers agreement that designates OSP as the authorized purchasing agent for the governmental unit or other entity. Governmental units and other entities joining the program are given an access code which identifies them as CPV members and permits them to access the OSP website to get information about commodities and/or services available on the State of Minnesota (State) contracts. Governmental units and other entities who are not members of the CPV program are not authorized to use the contract prices. The Contract Vendor agrees to provide the contract to CPV members at the same prices, terms, conditions, and specifications. For additional information, visit the OSP website at www.mmd.admin.state.mn.us

Stat. § 363A.36 and the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.
 - (d) The Contract Vendor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the commissioner of the Minnesota Department of Human Rights. Such notices must state the Contract Vendor's obligation under the law to take affirmative action to employ and advance in employment qualified disabled employees and applicants for employment, and the rights of applicants and employees.
 - (e) The Contract Vendor must notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Contract Vendor is bound by the terms of Minn. Stat. § 363A.36 of the Minnesota Human Rights Act and is committed to take affirmative action to employ and advance in employment physically and mentally disabled persons.

R. 5000.3400 to 5000.3600 are incorporated into any contract between these parties based upon this specification or any modification of it. A copy of Minn. Stat. 363A.36 and Minn. R. 5000.3400 to 5000.3600 are available upon request from the contracting agency.
- 13. PAYMENT.** Minn. Stat. § 16A.124 requires payment within 30 days following receipt of an undisputed invoice, merchandise or service, whichever is later. Terms requesting payment in less than 30 days will be changed to read "Net 30 days." The Ordering Entity is not required to pay the Contract Vendor for any goods and/or services provided without a written purchase order or other approved ordering document from the appropriate Ordering Entity. In addition, all goods and/or services provided must meet all terms, conditions and specifications of the Contract and the ordering document and be accepted as satisfactory by the Ordering Entity before payment will be issued.

Conditions of Payment. The Contract Vendor under the Contract must be in accordance with the Contract as determined by the sole discretion of the State's Authorized Representative and be in accordance with all applicable federal, state, and local laws, ordinances, rules, and regulations including business registration requirements of the Office of the Minnesota Secretary of State.

- 14. PURCHASE ORDERS (PO).** The State requires that there will be no minimum order requirements or charges to process an individual purchase order unless otherwise stated in the Contract. 17. ASSIGNMENT. The Contract Vendor shall not sell, transfer, assign, or otherwise dispose of the Contract or any portion hereof or of any right, title, or interest herein without the prior written consent of the State's Authorized Representative. Such consent shall not be unreasonably withheld. The Contract Vendor shall give written notice to the State's Authorized Representative of such a possibility at least 30 days prior to the sale, transfer, assignment, or other disposition of the Contract. Failure to do so may result in the Contract Vendor being held in default. This consent requirement includes reassignment of the Contract due to a change in ownership, merger, or acquisition of the Contract Vendor or its subsidiary or affiliated corporations. This section shall not be construed as prohibiting the Contract Vendor's right to assign the Contract to corporations to provide some of the services hereunder. Notwithstanding the foregoing acknowledgment, the Contract Vendor shall remain solely liable for all performance required and provided under the terms and conditions of the Contract.

18. INTELLECTUAL PROPERTY INDEMNIFICATION. The Contract Vendor warrants that any materials or products provided or produced by the Contract Vendor or utilized by the Contract Vendor in the performance of the Contract will not infringe upon or violate any patent, copyright, trade secret, or any other proprietary right of any third party. In the event of any such claim by any third party against the State, the State shall promptly notify the Contract Vendor. The Contract Vendor, at its own expense, shall indemnify, defend to the extent permitted by the Minnesota Attorney General's Office, and hold harmless the State against any third party for State's loss, cost, expense, or liability (including reasonable legal fees) arising out of such a claim, whether or not such claim is successful against the State.

If such a claim has occurred, or in the Contract Vendor's opinion is likely to occur, the Contract Vendor shall either procure for the State the right to continue using the materials or products or replacement or modified materials or products. If an option satisfactory to the State is not reasonably available, the State shall return the materials or products to the Contract Vendor, upon written request of the Contract Vendor and at the Contract Vendor's expense. This remedy is in addition to any other remedy provided by law.

19. PARTICIPATING ADDENDUM AMENDMENTS. Except as provided herein, the Participating Addendum shall be modified only by written amendment duly executed by an authorized representative of the State and the Contract Vendor. No alteration or variation of the terms and conditions of the Participating Addendum shall be valid unless made in writing and signed by the parties as required by law. Every amendment shall specify the date on which its provisions shall be effective. An approved Participating Addendum amendment means one approved by the authorized signatories of the Contract Vendor and the State as required by law.

20. TERMINATION OF THE PARTICIPATING ADDENDUM. The Participating Addendum may be canceled by the State or the Commissioner of Administration at any time, with or without cause, upon 30 days written notice to the Contract Vendor. In the event the Contract Vendor is in default, the Participating Addendum is subject to immediate cancellation to the extent allowable by applicable law. In the event of such a cancellation, the Contract Vendor shall be entitled to payment, determined on a pro rata basis, for work or services satisfactorily performed and accepted. The Contract Vendor may request to cancel the Participating Addendum but must receive written approval from the State.

21. ADMINISTRATIVE PERSONNEL CHANGES. After execution of this Participating Addendum the State must be notified of intended changes in the Contract Vendor's administrative personnel as soon as practicable.

22. AMERICANS WITH DISABILITIES ACT (ADA). Products provided under the Contract must comply with the requirements of the Americans with Disabilities Act (ADA). The Contract Vendor's catalog and other marketing materials utilized to offer products under the Contract must state when a product is not in compliance. Minnesota Exhibit B
Rapid Emergency Response Strategic National Stockpile (SNS)
Minnesota Department of Health (MDH) Delivery and Distribution Protocol

At the request of the State of Minnesota, Exhibit B is made part of and incorporated into this Contract.

I. Definitions

“Emergency” refers to any event or circumstance that may overwhelm public health or healthcare capacity to an extent where supplemental supplies from the federal government are requested to fill the gap.

“Dispensing Site” refers to the community locations where the public receives prophylactic medicines and supplies.

“Hazardous Materials” means a substance or material that the Secretary of Transportation has determined is capable of posing an unreasonable risk to health, safety, and property when transported in commerce, and has designated as hazardous under section 5103 of Federal hazardous materials transportation law (49 U.S.C. 5103).

“Receive, Stage, Store Site (RSS)” refers to the warehouse where the state receives and redistributes Strategic National Stockpile (SNS) materials. Minnesota has more than one RSS site that could be used depending on weather conditions, the circumstances of the emergency, or other considerations. Mass dispensing would primarily be done at the local public health level.

Link to the MDH regional map (each region has a public health coordinator):
<http://www.health.state.mn.us/divs/idepc/epis.jpg>

“Strategic National Stockpile (SNS)” is the United States' national repository of antibiotics, vaccines, chemical antidotes, antitoxins, and other critical medical equipment and supplies for use in a public health emergency severe enough to cause local supplies to run out. Once requested by the governor, SNS materials will arrive in 12 hours or less.

“Treatment Centers” are the locations in a community where sick or injured people receive treatment. These may include hospitals, clinics, and other sites.

“Contract Vendor” as used throughout this Exhibit B shall be defined to include the contracted company, its affiliated companies, including without limitation, its successors, subsidiaries and affiliates, and the agents, servants, officers, shareholders, and employees of any of the foregoing.

II. Responsibilities:

A. MDH:

1. Advises Contract Vendor within one hour of the governor requesting SNS materials be sent to the State of Minnesota.
2. Determine best RSS location and inform Contract Vendor of which location will receive SNS materials.

5. If necessary, coordinate law enforcement assets to provide security for drivers, vehicles, and SNS materials.
6. Authorize appropriately credentialed Contract Vendor's personnel into the RSS warehouse, Dispensing Sites, and Treatment Centers.

Pricing must reflect all inherent costs as detailed in the Contract Vendor's (Rates and Service Guide) for Rapid Emergency Response. MDH will coordinate reimbursement of approved expenses through available assistance programs and make payment to the Contract Vendor as soon as practicable. MDH may deny costs which are not substantiated or related to the Rapid Emergency Response. The Contract Vendor must invoice for costs incurred within 30 days of expiration of the Rapid Emergency Response.
8. At the time of incident, the Contract Vendor must be able to protect transported materials from temperature extremes so that the environmental condition within the packaging is maintained over the length of the transport period. Items that need to be refrigerated or frozen will be labeled. The transported materials will be packaged according to Federal regulations; the packages need to be handled in a safe manner. The Contract Vendor may be required to have a cooler in their vehicle and to provide the appropriate temperature at all times.

1. At all times, the Contract Vendor must maintain full and complete discretion and authority as to the use and allocation of the resources it provides.
