6. Purchase Orders: To issue a Purchase Order, payment must take place on a Lowe's Account Receivable ("LAR"). A LAR is a form of proprietary credit provided by a third party creditor ("Creditor"), currently Synchrony Bank. Creditor is responsible for the collection of fees and interest on LAR accounts.

Aside from product, delivery, or shipping information, any terms, conditions, representations or certifications included on a Purchase Order or similar document ("Additional Terms") are void and superseded by the terms and conditions of this Master Agreement and this Participating Addendum. Lowe's gives notice of objection to all Additional Terms and specifically rejects all Additional Terms as a material alteration to this Master Agreement and this Participating Addendum. Lowe's may accept Additional Terms in its sole discretion after receiving separate, advance written notice of the Additional Terms, provided that no Additional Terms are valid until the buyer receives a signed acknowledgement from Lowe's agreeing to the Additional Terms. Lowe's retains sole discretion to refuse any Purchase Order that 1) contains Additional Terms or 2) does not meet Lowe's payment or tender type requirements.

**Master Agreement** means the underlying agreement executed by and between the Lead State, acting on behalf of the NASPO ValuePoint program, and the Contractor, as now or hereafter amended.

**NASPO ValuePoint** is the NASPO Cooperative Purchasing Organization LLC, doing business as NASPO ValuePoint, a 501(c)(3) limited liability company that is a subsidiary organization the National Association of State Procurement Officials (NASPO), the sole member of NASPO ValuePoint. ## **NASPO ValuePoint Program Provisions**

### **3. Term of the Master Agreement**

- a. The initial term of this Master Agreement is for 5 years.

### **4. Amendments**

The terms of this Master Agreement shall not be waived, altered, modified, supplemented or amended in any manner whatsoever without prior written agreement of the Lead State and Contractor.

### **5. Participants and Scope**

a. Contractor may not deliver Products under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed. The NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum. By way of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (e.g. purchase order or contract) used by the Purchasing Entity to place the Order.

b. Use of specific NASPO ValuePoint cooperative Master Agreements by state agencies, political subdivisions and other Participating Entities (including cooperatives) authorized by individual state's statutes to use state contracts are subject to the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.

c. Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. Financial obligations of Participating Entities who are states are limited to the orders placed by the departments or other state agencies and institutions having available funds. Participating Entities who are states incur no financial obligations on behalf of other Purchasing Entities. Contractor shall email a fully executed PDF copy of each Participating Addendum to [PA@naspovaluepoint.org](mailto:PA@naspovaluepoint.org) to support documentation of participation and posting in appropriate data bases.

d. NASPO Cooperative Purchasing Organization LLC, doing business as NASPO ValuePoint, is not a party to the Master Agreement. It is a nonprofit cooperative purchasing organization assisting states in administering the NASPO cooperative purchasing program for state government departments, institutions, agencies and political subdivisions (e.g., colleges, school districts, counties, cities, etc.) for all 50 states, the District of Columbia and the territories of the United States.

e. Participating Addenda shall not be construed to amend the following provisions in this Master Agreement between the Lead State and Contractor that prescribe NASPO ValuePoint Program requirements: Term of the Master Agreement; Amendments; Participants and Scope; Administrative Fee; NASPO ValuePoint Summary and Detailed Usage Reports; NASPO ValuePoint Cooperative Program Marketing and Performance Review; NASPO ValuePoint eMarketCenter; Right to Publish; Price and Rate Guarantee Period; and Individual Customers. Any such language shall be void and of no effect.

f. Participating Entities who are not states may under some circumstances sign their own Participating Addendum, subject to the approval of participation by the Chief Procurement Official of the state where the Participating Entity is located. Coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists in the Participating Entity; they must ensure that they have the requisite procurement authority to execute a Participating Addendum.

g. **Resale.** "Resale" means any payment in exchange for transfer of tangible goods, software, or assignment of the right to services. Subject to any specific conditions included in the solicitation or Contractor's proposal as accepted by the Lead State, or as explicitly permitted in a Participating Addendum, Purchasing Entities may not resell Products (the definition of which includes services that are deliverables). Absent any such condition or explicit permission, this limitation does not prohibit: sales of Products to the general public as surplus property; and fees associated with inventory transactions with other governmental or nonprofit entities and consistent with a Purchasing Entity's laws and regulations. Any sale or transfer permitted by this subsection must be consistent with license rights granted for use of intellectual property.

## **6. Administrative Fees**

a. The Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than sixty (60) days following the end of each calendar quarter. The NASPO ValuePoint Administrative Fee shall be submitted quarterly and is based on all sales of products and services under the Master Agreement (less any charges for taxes or shipping). The NASPO ValuePoint Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with proposal.

b. Additionally, some states may require an additional fee be paid directly to the state

only on purchases made by Purchasing Entities within that state. For all such requests, the fee level, payment method and schedule for such reports and payments will be incorporated into the Participating Addendum that is made a part of the Master Agreement. The Contractor may adjust the Master Agreement pricing accordingly for purchases made by Purchasing Entities within the jurisdiction of the state. All such agreements shall not affect the NASPO ValuePoint Administrative Fee percentage or the prices paid by the Purchasing Entities outside the jurisdiction of the state requesting the additional fee. The NASPO ValuePoint Administrative Fee in subsection 6a shall be based on the gross amount of all sales (less any charges for taxes or shipping) at the adjusted prices (if any) in Participating Addenda.

## **7. NASPO ValuePoint Summary and Detailed Usage Reports**

In addition to other reports that may be required by this solicitation, the Contractor shall provide the following NASPO ValuePoint reports.

a. **Summary Sales Data.** The Contractor shall submit quarterly sales reports directly to NASPO ValuePoint using the NASPO ValuePoint Quarterly Sales/Administrative Fee Reporting Tool found at <http://www.naspo.org/WNCPO/Calculator.aspx>. Any/all sales made under this Master Agreement shall be reported as cumulative totals by state. Even if Contractor experiences zero sales during a calendar quarter, a report is still required. Reports shall be due no later than thirty (30) days following the end of the calendar quarter (as specified in the reporting tool).

b. **Detailed Sales Data.** Contractor shall also report detailed sales data by: (1) state; (2) entity/customer type, e.g. local government, higher education, K12, non-profit; (3) Purchasing Entity name; (4) Purchasing Entity bill-to and ship-to locations; (4) Purchasing Entity and Contractor Purchase Order identifier/number(s); (5) Purchase Order Type (e.g. sales order, credit, return, upgrade, determined by industry practices); (6) Purchase Order date; (7) Ship Date; (8) and line item description, including product number if used. The report shall be submitted in any form required by the solicitation. Reports are due on a quarterly basis and must be received by the Lead State and NASPO ValuePoint Cooperative Development Team no later than thirty (30) days after the end of the reporting period. Reports shall be delivered to the Lead State and to the NASPO ValuePoint Cooperative Development Team electronically through a designated portal, email, CD-ROM, flash drive or other method as determined by the Lead State and NASPO ValuePoint. Detailed sales data reports shall include sales information for all sales under Participating Addenda executed under this Master Agreement. The format for the detailed sales data report is shown in Attachment E.

c. No personal identification numbers, e.g. employee names, addresses, **social security numbers or any other numerical identifier**, may be submitted with any report.

d. Contractor shall provide the NASPO ValuePoint Cooperative Development Coordinator with an executive summary each quarter that includes, at a minimum, a list of states with an active Participating Addendum, states that Contractor is in negotiations

with and any Participating Addendum roll out or implementation activities and issues. NASPO ValuePoint Cooperative Development Coordinator and Contractor will determine the format and content of the executive summary. The executive summary is due thirty (30) days after the conclusion of each calendar quarter.

e. Timely submission of these reports is a material requirement of the Master Agreement. The recipient of the reports shall have exclusive ownership of the media containing the reports. The Lead State and NASPO ValuePoint shall have a perpetual, irrevocable, non-exclusive, royalty free, transferable right to display, modify, copy, and otherwise use reports, data and information provided under this section.

The Contractor shall not make any representations of NASPO ValuePoint's opinion or position as to the quality or effectiveness of the services that are the subject of this Master Agreement without prior written consent. Failure to adhere to this requirement may result in termination of the Master Agreement for cause.

f. All communications concerning administration of Orders placed shall be furnished solely to the authorized purchasing agent within the Purchasing Entity's purchasing office, or to such other individual identified in writing in the Order.

g. Orders must be placed pursuant to this Master Agreement prior to the termination date thereof, but may have a delivery date or performance period up to 120 days past the then-current termination date of this Master Agreement. Contractor is reminded that financial obligations of Purchasing Entities payable after the current applicable fiscal year are contingent upon agency funds for that purpose being appropriated, budgeted, and otherwise made available.

h. Notwithstanding the expiration, cancellation or termination of this Master Agreement, Contractor agrees to perform in accordance with the terms of any Orders then outstanding at the time of such expiration or termination. Contractor shall not honor any Orders placed after the expiration, cancellation or termination of this Master Agreement, or otherwise inconsistent with its terms. Orders from any separate indefinite quantity, task orders, or other form of indefinite delivery order arrangement priced against this Master Agreement may not be placed after the expiration or termination of this Master Agreement, notwithstanding the term of any such indefinite delivery order agreement.

#### **14. Shipping and Delivery.**

a. The prices are the delivered price to any Purchasing Entity. All deliveries shall be F.O.B. destination, freight pre-paid, with all transportation and handling charges paid by the Contractor. Responsibility and liability for loss or damage shall remain the Contractor's until final inspection and acceptance when responsibility shall pass to the Purchasing Entity except as to latent defects, fraud and Contractor's warranty obligations. The minimum shipment amount, if any, will be found in the special terms and conditions. Any order for less than the specified amount is to be shipped with the freight prepaid and added as a separate item on the invoice. Any portion of an Order to be shipped without transportation charges that is back ordered shall be shipped without charge.

b. All deliveries not accepted at the retail establishment will be "Inside Deliveries" as

designated by a representative of the Purchasing Entity placing the Order. Inside Delivery refers to a delivery to other than a loading dock, front lobby, or reception area. Contractor shall provide right of access to the Lead State, or to any other authorized agent or official of the Lead State or other Participating or Purchasing Entity, at reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance requirements under this Master Agreement. Products that do not meet specifications may be rejected. Failure to reject upon receipt, however, does not relieve the contractor of liability for material (nonconformity that substantially impairs value) latent or hidden defects subsequently revealed when goods are put to use. Acceptance of such goods may be revoked in accordance with the provisions of the applicable commercial code, and the Contractor is liable for any resulting expense incurred by the Purchasing Entity related to the preparation and shipping of Product rejected and returned, or for which Acceptance is revoked.

c. If any services do not conform to contract requirements, the Purchasing Entity may require the Contractor to perform the services again in conformity with contract requirements, at no increase in Order amount. When defects cannot be corrected by re-performance, the Purchasing Entity may require the Contractor to take necessary action to ensure that future performance conforms to contract requirements; and reduce the contract price to reflect the reduced value of services performed.

d. The warranty period shall begin upon Acceptance.

## **17. Payment**

Payment after Acceptance is normally made within 30 days following the date the entire order is delivered or the date a correct invoice is received, whichever is later. After 45 days the Contractor may assess overdue account charges up to a maximum rate of one percent per month on the outstanding balance, unless a different late payment amount is specified in a Participating Addendum, Order, or otherwise prescribed by applicable law. Payments will be remitted by mail. Payments may be made via a State or political subdivision "Purchasing Card" with no additional charge.

## **20. License of Pre-Existing Intellectual Property**

Contractor grants to the Purchasing Entity a nonexclusive, perpetual, royalty-free, irrevocable, license to use, publish, translate, reproduce, transfer with any sale of tangible media or Product, perform, display, and dispose of the Intellectual Property, and its derivatives, used or delivered under this Master Agreement, but not created under it ("Pre-existing Intellectual Property"). The Lead State shall not be required to provide advance written notice or a cure period and may immediately terminate this Master Agreement in whole or in part if the Lead State, in its sole discretion, determines that it is reasonably necessary to preserve public safety or prevent immediate public crisis. Time allowed for cure shall not diminish or eliminate Contractor's liability for damages, including liquidated damages to the extent provided for under this Master Agreement.

Pursuant to Appendix II to 2 Code of Federal Regulations (CFR) Part 200, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, Orders funded with federal funds may have additional contractual requirements or certifications that must be satisfied at the time the Order is placed or upon delivery. Helping residents of the communities, Lowe's Command Center serves by being there when weather threatens or a disaster occurs and in the recovery that follows. As a member of the American Red Cross Annual Disaster Giving Program, Lowe's pledges donations on an ongoing basis in advance of disasters to help the Red Cross partners, surpassing \$25 million in donations since our partnership began in 1999.

Lowe's Emergency Command Center and network of distribution centers allow Lowe's to respond to our customers' needs and quickly replenish store shelves with emergency products to help during preparation and recovery. We prepare at least five days out from a storm, and closely monitor it around the clock. Our stores also have essential hurricane products such as flashlights, batteries, NOAA weather radios, etc. conveniently located in the front of our stores so that homeowners can easily assemble a family emergency kit.

All of our stores are equipped with emergency back-up generators and we can quickly open after a storm or power outage, as soon as it's safe. Due to the dedication, commitment and preparation of Lowe's employees, Lowe's stores in the paths of hurricanes, have been able to open within hours after a storm.

Lowe's also has Storm Recovery Teams ready for activation. Storm Recovery Teams are employees who volunteer to leave the stores where they usually work, to travel to stores in storm ravaged areas. The teams provide additional personnel to serve customers and also provide relief for employees working at stores in areas battered by storms so that they can attend to personal needs at home.

To further support our stores and ensure customer and emergency safety, Lowe's has an Emergency Command Center staffed 365 days. The Lowe's Emergency Command Center guides stores through crisis situations and the aftermath/clean-up phase, and also works with our network of distribution centers across the country to ensure our shelves are stocked for customers when they are ready to begin repairing and rebuilding their homes after a disaster.

## 2.10.3 Technical Requirements:

### Section 4.2.6 (a & b) Sustainability/Environmental Practices:

Sustainability involves using resources more efficiently and in ways which benefit the environment, customers, business and local communities. Operating our business more sustainably means considering the environmental impacts of operations in Lowe's stores, offices and supply chain and considering the lifecycle impact of the products and services used and sold.

To operate more sustainably, Lowe's will strive to:

- Provide customers with environmentally-responsible products, packaging and services at everyday low prices;
- Educate and engage employees, customers and others on the importance of conserving resources, reducing waste and recycling;
- Use resources – energy, fuel, water and materials – more efficiently and responsibly to minimize our environmental footprint;
- Establish sustainability goals and objectives;
- Review and communicate progress made toward achieving established goals and objectives; and
- Engage on public policy issues related to sustainability.

To learn more about important topics such as climate change and supply chain resource efficiency, Lowe's will foster relationships with organizations engaged in developing collaborative sustainable business strategies. Through these relationships, we will endeavor to gain a deeper understanding of the opportunities to reduce pollution and greenhouse gas emissions as well as develop a more sustainable approach to our business operations.

To become a more sustainable organization, Lowe's will seek to engage business units and suppliers to improve the environmental aspects of the products sold, services provided and business operations. Our goal is to operate more sustainably, while maintaining a safe and comfortable working and shopping environment. To reach that goal, Lowe's will continue to seek cooperative relationships with appropriate government programs (such as ENERGY STAR® and SmartWay®) and with relevant organizations in the communities we serve.

### **Green Initiatives**

As Lowe's continues to grow globally, we are working harder to preserve and protect our environment. At the heart of sustainability is sustained effort, and doing our part brings a renewed sense of purpose each year.

We believe building a healthier business and a healthier environment go hand in hand. Lowe's cares about how our company's activities impact the Earth's ability to provide natural resources to future generations. For that reason, we continually examine opportunities to reduce our environmental impact while providing the products and services our customers have come to expect.

We value being in a position to affect widespread change and consider each of our more than 234,000 employees a vital part of that mission. In 2010, our employees' success promoting energy and water conservation brought Lowe's unprecedented recognition from the Environmental Protection Agency and the Department of Energy. Lowe's was named the first winner of the ENERGY STAR® Sustained Excellence Award in Retail and became the first retailer to win the WaterSense® Retail Partner of the Year Award in consecutive years.

Our focus remains fixed on our collective progress. Our recycling numbers have grown each year, and we expanded our appliance recycling program companywide in 2010. We also installed recycling centers in more than 1,700 U.S. stores to help customers recycle rechargeable batteries, cell phones, compact fluorescent light bulbs and plastic shopping bags. We also expanded our Energy Center nationwide to provide a one-stop destination for energy-saving products. By increasing our purchase of green power and spreading energy awareness across all our facilities through our store efficiency program, we continue to take steps to minimize our carbon footprint.

Lowe's is committed to exploring opportunities to reduce waste, carbon emissions and energy and water use throughout our operations. We completed a five-year sales-floor lighting retrofit in 2010 that put more than 3 million new energy-efficient fluorescent lamps in our stores. Sustaining the momentum of that effort, we are upgrading the lighting at 34 distribution facilities.

Driving all of these upgrades is our passion for our customers, and we remain dedicated to providing products that benefit their homes, their bottom line and the environment. We continue to expand our selection of ENERGY STAR qualified and WaterSense labeled products and offer a growing number of solar-powered solutions. As we look to the future, we will seek new and better ways to serve our customers and continue to be responsible stewards of the environment.

## 2.10.3 Technical Requirements:

### **b. Lowe's Warranties and Extra Protection Plan:**

For manufacturer defects, please call Lowe's Service Advantage hotline toll-free at 1-888-77-LOWES (56937) to set up a factory-certified service appointment in your home or for general assistance. If the repair is covered by the manufacturer's warranty, it will be repaired at no cost to you.

#### **Extra Protection Plans:**

##### ***Protection You Can Depend On***

Investing in a Lowe's Extended Protection Plan means you'll receive peace of mind knowing your product is covered after a manufacturer's warranty expires. We'll make repairs on the covered product, including those made due to mechanical or electrical failure, at no additional cost to you. And it's hassle-free — your product will be serviced by an authorized Lowe's technician for the life of your plan.\*

##### ***Choose a Replacement Plan***

For products costing less than \$200 before tax, Lowe's Replacement Plans\* provide you with additional protection. While a manufacturer's warranty typically expires after one year, a Replacement Plan\* keeps you covered for an additional one or two years.

##### ***You Made the Right Choice***

Typically, manufacturers provide parts and labor protection on qualified products for one year after purchase. With your Lowe's Extended Protection Plan\*, you'll receive additional coverage for years to come.
