**Cost Proposal**

**Deadline: June 24, 2016 – 1:00 PM PDT**

## Section 5: Price and Cost Proposal

Cost in proposals will be evaluated independent of the technical evaluation. Cost proposal must be submitted to the Lead State as a separate document in Offerors Proposal. **Do not embed cost proposal in the technical proposal response.**

Offeror shall provide detailed costs for all costs associated with the responsibilities and related services, per Attachment D.

Attachment D will outline ten small package delivery scenarios. Offerors will be required to submit a cost per each scenario.

Evaluation of Cost Proposals: The Offeror with the lowest cost will receive the maximum 30 points per scenario. All other Offerors will receive points as determined by the ratio of their costs to the lowest cost. Final cost scores will be calculated based on the following:

\*Ratio Calculation: Points assigned to each Offerors cost proposal will be based on the lowest proposal cost. The Offeror with the lowest proposed cost will receive 100% of the cost points. All other Offerors will receive a portion of the total cost points based on what percentage higher their Proposed Cost is than the Lowest Proposed Cost. Offeror's whose Proposed Cost is more than double (200%) the Lowest Proposed Cost will receive no points. The formula to compute the points is:  $\text{Cost Points} \times (2 - \frac{\text{Proposed Cost}}{\text{Lowest Proposed Cost}})$ .

Cost for the NASPO ValuePoint Master Agreements shall be based on the following:

The Lead State is exempt from federal excise taxes and no payment will be made for any taxes levied on the Offeror's or any Subcontractor's employee's wages. The Lead State will pay for any applicable Lead State or local sales or use taxes on the products provided or the services rendered. If required by Lead State, Taxes shall be included as a separate line item on a Offeror's invoice. The tax rules with respect to other Participating Entities may vary and are expected to be addressed in the Participating Addenda.

## **5.1 Price and Rate Guarantee Period**

All prices and rates offered shall be guaranteed for the initial term of the Master Agreement. Any request for price or rate adjustment following the initial Master Agreement term, is detailed in Section 6 of the Master Agreement.

*GSO Prices indicated within this Cost Proposal will be guaranteed for the initial term of the Master Agreement and any request for price or rate adjustment will comply with terms detailed in Section 6 of the Master Agreement.*

## Cost Proposal

GSO will meet the service requirements of NASPO ValuePoint Solicitation# BC16018 by offering service types in categories described by guaranteed delivery time rather than by mode of transportation:
