This limitation of liability does not apply to damages for personal injury or death, or to Contractor's obligation to indemnify, defend and hold the State harmless against intellectual property infringement claims under paragraphs titled and included in this Agreement. This indemnification does not include liabilities caused by the State's gross negligence or intentional wrong doing of the State.

If the solicitation is for a contract for an indeterminate amount of goods and/or services, and the State estimated total value of the contract exceeds \$100,000 whether it will be a multiple award contract or not, you must complete the Affirmative Action Certification page. If the contract dollar amount or the State estimated total contract amount exceeds \$100,000 and the Contract Vendor employed more than 40 full-time employees on a single working day during the previous 12 months in Minnesota or in the state where it has its principal place of business, the Contract Vendor must comply with the requirements of Minn. Stat. § 363A.36, subd. 1 and Minn. R. 5000.3400 to 5000.3600. A Contract Vendor covered by Minn. Stat. § 363A.36, subd. 1 and Minn. R. 5000.3400 to 5000.3600 that had more than 40 full-time employees within Minnesota on a single working day during the previous 12 months must have a certificate of compliance issued by the commissioner of the Department of Human Rights (certificate of compliance). A Contract Vendor covered by Minn. Stat. § 363A.36, subd. 1 that did not have more than 40 full-time employees on a single working day during the previous 12 months within Minnesota but that did have more than 40 full-time employees in the state where it has its principal place of business and that does not have a certificate of compliance must certify that it is in compliance with federal affirmative action requirements.
- b. Minn. Stat. § 363A.36, subd. 1 requires the Contract Vendor to have an affirmative action plan for the employment of minority persons, women, and qualified disabled individuals approved by the commissioner of the Department of Human Rights (commissioner) as indicated by a certificate of compliance. Minn. Stat. § 363A.36 addresses suspension or revocation of a certificate of compliance and contract consequences in that event. A contract awarded without a certificate of compliance may be voided.
- c. Minn. R. 5000.3400-5000.3600 implement Minn. Stat. § 363A.36. These rules include, but are not limited to, criteria for contents, approval, and implementation of affirmative action plans; procedures for issuing certificates of compliance and criteria for determining a Contract Vendor's compliance status; procedures for addressing deficiencies, sanctions, and notice and hearing; annual compliance reports; procedures for compliance review; and contract consequences for noncompliance. The specific criteria for approval or rejection of an affirmative action plan are contained in various provisions of Minn. R. 5000.3400-5000.3600 including, but not limited to, parts 5000.3420-5000.3500 and parts 5000.3552-5000.3559.
- d. Disabled Workers. Minn. R. 5000.3550 provides the Contract Vendor must comply with the following affirmative action requirements for disabled workers.

**AFFIRMATIVE ACTION FOR DISABLED WORKERS**

- (a) The contractor must not discriminate against any employee or applicant for employment because of physical or mental disability in regard to any position for which the employee or applicant for employment is qualified. The contractor agrees to take affirmative action to employ, advance in employment, and otherwise treat qualified disabled persons without discrimination based upon their physical or mental disability in all employment practices such as the following: employment, upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
- (b) The contractor agrees to comply with the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.
- (c) In the event of the contractor's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with Minn. Stat. § 363A.36 and the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.
- (d) The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the commissioner of the Minnesota Department of Human Rights. Such notices must state the contractor's obligation under the law to take affirmative action to employ and advance in employment qualified disabled employees and applicants for employment, and the rights of applicants and employees.

(e) The contractor must notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the contractor is bound by the terms of Minn. Stat. § 363A.36 of the Minnesota Human Rights Act and is committed to take affirmative action to employ and advance in employment physically and mentally disabled persons.

e. Consequences. The consequences of a Contract Vendor's failure to implement its affirmative action plan or make a good faith effort to do so include, but are not limited to, suspension or revocation of a certificate of compliance by the commissioner, refusal by the commissioner to approve subsequent plans, and termination of all or part of the Contract by the commissioner or the State.

f. Certification. The Contract Vendor hereby certifies that it is in compliance with the requirements of Minn. Stat. § 363A.36, subd. 1 and Minn. R. 5000.3400-5000.3600 and is aware of the consequences for noncompliance. It is agreed between the parties that Minn. Stat. 363.36 and Minn. R. 5000.3400 to 5000.3600 are incorporated into any contract between these parties based upon this specification or any modification of it. A copy of Minn. Stat. 363A.36 and Minn. R. 5000.3400 to 5000.3600 are available upon request from the contracting agency.

**13. EQUAL PAY CERTIFICATION.** If the Response to this solicitation could be in excess of \$500,000, the Responder must obtain an Equal Pay Certificate from the Minnesota Department of Human Rights (MDHR) or claim an exemption prior to contract execution. A responder is exempt if it has not employed 40 or more full-time employees on any single working day during the previous 12 months in Minnesota or the state where it has its primary place of business. Please contact MDHR with questions at: 651-539-1095 (metro), 1-800-657-3704 (toll free), 711 or 1-800-627-3529 (MN Relay) or at [compliance.MDHR@state.mn.us](mailto:compliance.MDHR@state.mn.us).

Terms requesting payment in less than 30 days will be changed to read "Net 30 days." The Ordering Entity is not required to pay the Contract Vendor for any goods and/or services provided without a written purchase order or other approved ordering document from the appropriate Ordering Entity. In addition, all goods and/or services provided must meet all terms, conditions and specifications of the Contract and the ordering document and be accepted as satisfactory by the Ordering Entity before payment will be issued.

**Conditions of Payment.** The Contract Vendor under the Contract must be in accordance with the Contract as determined by the sole discretion of the State's Authorized Representative and be in accordance with all applicable federal, state, and local laws, ordinances, rules, and regulations including business registration requirements of the Office of the Minnesota Secretary of State.

**15. PURCHASE ORDERS (PO).** The State requires that there will be no minimum order requirements or charges to process an individual purchase order unless otherwise stated in the Contract. The Contract number and the PO number must appear on all documents (e.g., invoices, packing slips, etc.). The Ordering Entity's purchase order constitutes a binding contract.

**16. PURCHASING CARDS.** Contract Vendor will accept a purchasing card for order placement in addition to accepting a purchase order, without passing the processing fees for the purchasing card back to the State. The State's single purchase limit is \$5,000 on the purchasing card.

**17. TAXES. DO NOT** add sales tax to the prices being offered. Unless otherwise instructed by the State, agencies will pay all applicable taxes directly to the Department of Revenue. No substitutions or cancellations are permitted without approval of the Ordering Entity. Back orders, failure to meet delivery requirements, or failures to meet specifications in the purchase order and/or the Contract authorizes the Ordering Entity to cancel the purchase order, or any portion of it, purchase elsewhere, and charge the full increase in cost and administrative handling to the defaulting Contract Vendor. In the event of default, the State reserves the right to pursue any other remedy available by law. A Contract Vendor may be removed from the vendor's list, suspended or debarred from receiving a Contract for failure to comply with the terms and conditions of the Contract, or for failure to pay the State for the cost incurred on the defaulted Contract.
- 20. ASSIGNMENT.** The Contract Vendor shall not sell, transfer, assign, or otherwise dispose of the Contract or any portion hereof or of any right, title, or interest herein without the prior written consent of the State's Authorized Representative. Such consent shall not be unreasonably withheld. The Contract Vendor shall give written notice to the State's Authorized Representative of such a possibility at least 30 days prior to the sale, transfer, assignment, or other disposition of the Contract. Failure to do so may result in the Contract Vendor being held in default. This consent requirement includes reassignment of the Contract due to a change in ownership, merger, or acquisition of the Contract Vendor or its subsidiary or affiliated corporations. This section shall not be construed as prohibiting the Contract Vendor's right to assign the Contract to corporations to provide some of the services hereunder. Notwithstanding the foregoing acknowledgment, the Contract Vendor shall remain solely liable for all performance required and provided under the terms and conditions of the Contract.
- 21. INTELLECTUAL PROPERTY INDEMNIFICATION.** The Contract Vendor warrants that any materials or products provided or produced by the Contract Vendor or utilized by the Contract Vendor in the performance of the Contract will not infringe upon or violate any patent, copyright, trade secret, or any other proprietary right of any third party. In the event of any such claim by any third party against the State, the State shall promptly notify the Contract Vendor. The Contract Vendor, at its own expense, shall indemnify, defend to the extent permitted by the Minnesota Attorney General's Office, and hold harmless the State against any loss, cost, expense, or liability (including legal fees) arising out of such a claim, whether or not such claim is successful against the State.
- If such a claim has occurred, or in the Contract Vendor's opinion is likely to occur, the Contract Vendor shall either procure for the State the right to continue using the materials or products or replacement or modified materials or products. If an option satisfactory to the State is not reasonably available, the State shall return the materials or products to the Contract Vendor, upon written request of the Contract Vendor and at the Contract Vendor's expense. This remedy is in addition to any other remedy provided by law.
- 22. PARTICIPATING ADDENDUM AMENDMENTS.** Except as provided herein, the Participating Addendum shall be modified only by written amendment duly executed by an authorized representative of the State and the Contract Vendor. No alteration or variation of the terms and conditions of the Participating Addendum shall be valid unless made in writing and signed by the parties as required by law. An approved Participating Addendum amendment means one approved by the authorized signatories of the Contract Vendor and the State as required by law.
- 23. TERMINATION OF THE PARTICIPATING ADDENDUM.** The Participating Addendum may be canceled by the State or the Commissioner of Administration at any time, with or without cause, upon 30 days written notice to the Contract Vendor. In the event the Contract Vendor is in default, the Participating Addendum is subject to immediate cancellation to the extent allowable by applicable law. In the event of such a cancellation, the Contract Vendor shall be entitled to payment, determined on a pro rata basis, for work or services satisfactorily performed and accepted. The Contract Vendor may request to cancel the Participating Addendum but must receive written approval from the State.
- 24. ADMINISTRATIVE PERSONNEL CHANGES.** After execution of this Participating Addendum the State must be notified of intended changes in the Contract Vendor's administrative personnel as soon as practicable.

FASTENAL will provide insurance to cover its liability for personal injury or property damage it causes in connection with the installation and operation of the FVS equipment. This Agreement is subject to and subordinate to the terms set forth in the Western States Contracting Alliance Facilities MRO Contracts Master Price Agreement, No. 1862 and the Participating Addendum and its accompanying exhibits, Minnesota Contract No. 444913, both of which are incorporated herein by reference. The FAST 10000SL Lockers are dispense only, check in check out is not an option on these units.
- 3) **Assignment:** Customer may not assign, remove or attempt to sell or transfer any FVS equipment to another party or property, without Fastenal's written permission.
- 4) **Title to Products, Risk of Loss and Taxes:** Customer will retain title and ownership of product once product is purchased from Fastenal and placed in machine for dispensing.
- 5) **Product Pricing, Payment and Software Fees:**  
**Product Pricing:** Prices are subject to Contract # \_\_\_\_\_ (please indicate what Govt. contract customer is utilizing) with \_\_\_\_\_ (please indicate what entity holds this contract). If unknown or not utilizing a contract, Customer can fill in "N/A"

Prices for dispensed items may be negotiated to best identify high usage parts that are best opportunities or situated for dispensing. Prices may vary based on specific customer requirements such as kitting, special labeling, or packaging if applicable.

**5.6 NO OTHER WARRANTIES:** VENDOR PROVIDES NO WARRANTIES OR CONDITIONS OF TITLE, QUIET ENJOYMENT, QUIET POSSESSION, OR NON-INFRINGEMENT WITH REGARD TO THE SOFTWARE SYSTEM.

## 6. REMEDY FOR BREACH OF WARRANTY

**6.1 Exclusive Remedy:** Vendor's entire liability and your exclusive remedy for any breach of the Limited Warranty and for any other breach of the Agreement or for any other liability relating to the Software System shall be, at Vendor's option, limited to one of the following: (a) return of the amount paid (if any) for the Software System; or (b) repair or replacement of the Software System that does not meet the Limited Warranty or causes such breach. You will receive the remedy elected by Vendor without charge, except that You are responsible for any expenses that Vendor may reasonably incur in delivering the elected remedy to You. Any replacement Software System provided under

the Limited Warranty will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer, and Vendor will use commercially reasonable efforts to provide the remedy to You within a commercially reasonable time of your compliance with Vendor's warranty remedy procedures.

6.2 **NO OTHER DAMAGES:** EXCEPT FOR ANY REFUND ELECTED BY VENDOR, YOU ARE NOT ENTITLED TO ANY DAMAGES, INCLUDING BUT NOT LIMITED TO CONSEQUENTIAL DAMAGES, IF THE SOFTWARE SYSTEM DOES NOT MEET VENDOR'S LIMITED WARRANTY. ## 7. MISCELLANEOUS

7.1 **Relationship of Parties:** Nothing contained in this Agreement is intended to implicitly, or is to be construed to, constitute a partnership in the legal sense. No party hereto shall have any express or implied right or authority to assume or create any obligations on behalf of or in the name of the other party or to bind the other party to any contract, agreement, or undertaking with any third party.

7.2 **Force Majeure:** Neither party will be liable for any failure or delay in performing any obligation under this Agreement that is due to causes beyond its reasonable control and without its fault or negligence, including, without limitation, acts of God, natural catastrophes or governmental acts, interruption of power or of other essential services or supplies.

7.3 **No Waiver:** No delay or omission by either party hereto to exercise any right or power occurring upon any noncompliance or default by the other party with respect to any of the terms of this Agreement shall impair any such right or power or be construed to be a waiver thereof. A waiver by either of the parties hereto of any of the covenants, conditions, or agreements to be performed by the other shall not be construed to be a waiver of any succeeding breach thereof or of any covenant, condition, or agreement contained herein.

7.4 **Entire Agreement:** This Agreement, as modified by the Western States Contracting Alliance Facilities MRO Contracts Master Price Agreement, No. 1862 and the Participating Addendum and its accompanying exhibits, Minnesota Contract No. 444913, constitutes the entire Agreement between the parties, and there are no understandings or agreements relative

hereto other than those that are expressed herein. No change, amendment, waiver, or discharge hereof shall be valid unless in writing and executed by the party against whom such change, waiver, or discharge is sought to be enforced.

**7.5 Severability Enforcement:** The invalidity of any portion of this Agreement shall not affect the validity, force or effect of the remaining portions hereof. If it is ever held that any restriction hereunder is too broad to permit enforcement of such restriction to its fullest extent, each party agrees that a court of competent jurisdiction may enforce such restriction to the maximum extent permitted by law, and each party hereby consents and agrees that such scope may be judicially modified accordingly in any proceeding brought to enforce such restriction.

**7.6 Parties Benefited Assignment:** The provisions of this Agreement shall inure to the benefit of and be binding upon the parties hereto; their successors and assigns, but You may not assign this Agreement or any rights hereunder without the express written consent of Vendor, and any such assignment or attempted assignment without Vendor's consent shall be void. Vendor may freely assign its rights and delegate its duties under this Agreement without your consent.

**7.7 Neutral Interpretation:** This Agreement shall be deemed to have been drafted jointly by the parties, and no rule of construction or interpretation shall apply against any particular party based on a contention that the Agreement was drafted by one of the parties.

**7.8 Applicable Law:** This Agreement is governed by the laws of the State of Minnesota, United States of America.

**7.9 Certification of Nondiscrimination** (In accordance with Minn. Stat. § 16C.053) Vendor certifies it does not engage in and has no present plans to engage in discrimination against Israel, or against persons or entities doing business in Israel, when making decisions related to the operation of the Vendor's business. For purposes of this section, "discrimination" includes but is not limited to engaging in refusals to deal, terminating business activities, or other actions that are intended to limit commercial relations with Israel, or persons or entities doing business in Israel, when such actions are taken in a manner that in any way discriminates on the basis of nationality or national origin and is not based on a valid business reason.

**7.10** Vendor will comply with the provisions of Minnesota Statutes §181.59 which require:

Every contract for or on behalf of the State of Minnesota, or any county, city, town, township, school, school district, or any other district in the state, for materials, supplies, or construction shall contain provisions by which the contractor agrees: (1) that, in the hiring of common or skilled labor for the performance of any work under any contract, or any subcontract, no contractor, material supplier, or vendor, shall, by reason or race, creed, or color, discriminate against the person or persons who are citizens of the United States or resident aliens who are qualified and available to perform the work to which the employment relates; (2) that no contractor, material supplier, or vendor, shall, in any manner, discriminate against, or intimidate, or prevent the employment of any person or persons identified in clause (1) of this section, or on being hired, prevent, or conspire to prevent, the person or persons from the performance of work under any contract on account of race, creed, or color; (3) that a violation of this section is a misdemeanor; and (4) that this contract may be canceled or terminated by the state, county, city, town, school board, or any other person authorized to grant the contracts

for employment, and all money due, or to become due under the contract, may be forfeited for a second or any subsequent violation of the terms or conditions of this contract.
