Scope of Work

1. Introduction

The State of Arizona, its Agencies, Boards and Commissions (State), as well as authorized Cooperative Members, have an ongoing requirement for the products and services as described herein. This NASPO Value Point Participating Addendum (PA) is developed by and for the State of Arizona. This PA is based on the award of a competitively solicited procurement, performed in concert with NASPO Value Point and the State of Washington.

2. Background

In 2017 the State of Washington in concert with NASPO ValuePoint issued a national level solicitation for Vehicle Lifts and Garage Associated Equipment for use by cooperative member organizations and their respective political subdivisions. The solicitation was intended to award a comprehensive offering of products and related services.

The Participating Addendum (PA) must adhere to the requirements of the Master Contract as awarded and negotiated by the State of Washington. However, each individual PA may stipulate specific requirements, such as terms and conditions and other contract features are mandated or desired by each participating State.

3. State of Arizona Requirements

The State of Arizona shall engage various Contractors through the PA process and award. For this particular PA, the Contractor shall be: Snap-on Industrial, a Division of IDSC Holdings LLC. As per award, the Contractor shall provide the following equipment as specified in the Master Contract 05316: State of Washington Vehicle Lifts and Garage Associated Equipment.

6. Eligible Agencies

This Contract shall be for the use of all State of Arizona departments, agencies, commissions and boards. In addition, eligible State Purchasing Cooperative members may participate at their discretion. In order to participate in this contract, a cooperative member shall have entered into a Cooperative Purchasing Agreement with the Department of Administration, State Procurement Office as required by Arizona Revised Statutes § 41-2632.

Unless there is an applicable Cooperative Purchasing Agreement in effect at the time, a State Purchasing Cooperative member cannot be a Co-Op Buyer. For reference, "Co-Op Buyer" is to be construed as encompassing "eligible procurement unit" under A.A.C. R2-7-101(23).

NOTE: Membership in the State Purchasing Cooperative is open to all Arizona political subdivisions, including cities, counties, school districts, and special districts. Membership is also available to non-profit organizations, other state governments and tribal nations. For reference, "non-profit organizations" are defined in A.R.S. § 41-2631(4) as any nonprofit corporation as designated by the IRS under section 501(c)(3) through 501(c)(6) of the tax code.

7. Estimated Quantities

The State anticipates considerable activity resulting from this contract; however, no commitment of any kind is made concerning quantities actually acquired and that fact should be taken into consideration by each potential Contractor.

8. Administrative Fee and Usage Reports

The Contract is a "statewide" contract for multiple purchases, projects, or assignments, and can be purchased against by some or all Eligible Agencies and any Co-Op Buyers that elect to participate. Even if only one Eligible Agency needs or elects to purchase against the Contract, it is to be construed as being a "statewide" contract hereunder.

The Contract is an indefinite delivery, indefinite quantity (ID/IQ) type of contract; it is to be construed as a "delivery order" sub-type of ID/IQ contract to the extent the Work is Materials, and a "task order" sub-type to the extent the Work is Services.

1. Contractor shall verify if an ordering entity is a bona fide Co-Op Buyer before selling Materials to or providing Services for them under the Contract. The current list of Co-Op Buyers is available on the State Procurement Office website:
<https://spo.az.gov/procurement-services/cooperative-procurement/state-purchasing-cooperative>
2. Contractor shall sell to Co-Op Buyers at the same price and on the same lead times and other terms and conditions under which it sells to Eligible Agencies, with the sole exception of any legitimately additional costs for extraordinary shipping or delivery requirements if the Co-Op Buyer is having Materials delivered or installed or Services performed at locations not contemplated in the contracted pricing (e.g. delivery to a location outside Arizona).
3. Contractor shall pay State an administrative fee against all Contract sales to Co-Op Buyers, as provided for under A.R.S. § 41-2633. The fee rate is one (1%) percent. Failure to remit the administrative fees is a material breach of contract, and will entitle State to its remedies under Article 8 and its right to terminate for default under Article 9. Method of calculation, payment procedures, and other details are provided on the State Procurement Office website:

4. Contractor shall submit to State a quarterly usage report documenting all Contract sales to both Eligible Agencies and Co-Op Buyers, itemized separately. Contractor shall further itemize divisions, groups or areas within a given Eligible Agency if they place Orders independently of each other. Failure to submit the report is a material breach of contract, and will entitle State to its remedies under Article 8 and its right to terminate for default under Article 9. Contractor shall submit the report using the forms and following the instructions on the State Procurement Office website:

<https://spo.az.gov/procurement-services/cooperative-procurement/coop-usage-report>

5. Contractor shall acknowledge each Order from Eligible Agencies within 1 (one) business day after receipt by either: (a) "approving" the Order electronically in ProcureAZ, which will indicate Contractor's unqualified acceptance of the Order as-issued; or (b) "rejecting" the Order electronically in ProcureAZ, with a concurrent explanation by email to relevant originator as to the reason for rejecting it. By way of reminder, the only grounds on which Contractor may reject or refuse an Order are those set out in subparagraph 3.14.3 [Orders are Obligatory]. Unless and until Contractor has approved the Order in ProcureAZ, it will have no effect under the Contract and will not oblige either State or Contractor. If the relevant Eligible Agency explicitly instructs at the time that a verbal acceptance is sufficient because of urgency or other unusual circumstances and Contractor duly gives its verbal acceptance, then Contractor will be deemed to have accepted the Order immediately upon commencing performance, provided that, Contractor must follow-up its verbal acceptance by accepting the Purchase Order electronically in ProcureAZ within 3 (three) business days. Contractor shall thereafter be barred from subsequently rejecting the Order in ProcureAZ and if it does so the rejection will be void.

6. Contractor shall acknowledge each Order from Co-Op Buyers in conformance with each buyer's instructions given at the time of ordering or in any supplemental participating agreement Contractor might have with them. Orders from Co-Op Buyers create no obligation on State's part, since they are entirely between the Co-Op Buyer and Contractor. That notwithstanding, Contractor's obligation under the Contract is to service Co-Op Buyers commercially as though they were with an Eligible Agency, and Contractor's refusal to do so would be a material breach of the Contract.

9. Licenses

The Contractor shall maintain in current status, all federal, state and local licenses and permits required for the operation of the business conducted by the Contractor.

10. Authorization to Purchase

Authorization for the purchase of equipment or services shall be made only upon the issuance of a Purchase Order or a government/commercial procurement card/credit card. The Purchase Order will indicate the contract number and the dollar amount of funds authorized. The Contractor shall only be authorized to perform up to the amount on the Purchase Order or the accepted quotation document. The State shall not have any legal obligation to pay for goods or services in excess of the amount indicated on the Purchase Order or accepted quotation document. No further obligation for payment shall exist unless:

10.1 The Purchase Order is changed or modified with an official Change Order, and/or

10.2 An additional Purchase Order is issued for the purchase of good and services under this Contract.
