If the contract dollar amount or the State estimated total contract amount exceeds \$100,000 and the Contract Vendor employed more than 40 full-time employees on a single working day during the previous 12 months in Minnesota or in the state where it has its principal place of business, the Contract Vendor must comply with the requirements of Minn. Stat. § 363A.36 and the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.
 - (d) The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the commissioner of the Minnesota Department of Human Rights. In addition, all goods and/or services provided must meet all terms, conditions and specifications of the Contract and the ordering document and be accepted as satisfactory by the Ordering Entity before payment will be issued.
- Conditions of Payment.** The Contract Vendor under the Contract must be in accordance with the Contract as determined by the sole discretion of the State's Authorized Representative and be in accordance with all applicable federal, state, and local laws, ordinances, rules, and regulations including business registration requirements of the Office of the Minnesota Secretary of State.

- 16. SHIPPING REQUIREMENTS.** All shipments shall be FOB Destination. Freight charges shall be prepaid and allowed unless otherwise stated in the NASPO ValuePoint Master Agreement.
- 17. DEFAULT.** All commodities and services furnished will be subject to inspection and acceptance by the Ordering Entity after delivery. No substitutions or cancellations are permitted without approval of the Ordering Entity. Back orders, failure to meet delivery requirements, or failures to meet specifications in the purchase order and/or the Contract authorizes the Ordering Entity to cancel the purchase order, or any portion of it, purchase elsewhere, and charge the full increase in cost and administrative handling to the defaulting Contract Vendor. In the event of default, the State reserves the right to pursue any other remedy available by law. A Contract Vendor may be removed from the vendor's list, suspended or debarred from receiving a Contract for failure to comply with the terms and conditions of the Contract, or for failure to pay the State for the cost incurred on the defaulted Contract.
- 18. ASSIGNMENT.** The Contract Vendor shall not sell, transfer, assign, or otherwise dispose of the Contract or any portion hereof or of any right, title, or interest herein without the prior written consent of the State's Authorized Representative. Such consent shall not be unreasonably withheld. The Contract Vendor shall give written notice to the State's Authorized Representative of such a possibility at least 30 days prior to the sale, transfer, assignment, or other disposition of the Contract. Failure to do so may result in the Contract Vendor being held in default. This consent requirement includes reassignment of the Contract due to a change in ownership, merger, or acquisition of the Contract Vendor or its subsidiary or affiliated corporations. This section shall not be construed as prohibiting the Contract Vendor's right to assign the Contract to corporations to provide some of the services hereunder. Notwithstanding the foregoing acknowledgment, the Contract Vendor shall remain solely liable for all performance required and provided under the terms and conditions of the Contract.
- 19. INTELLECTUAL PROPERTY INDEMNIFICATION.** The Contract Vendor warrants that any materials or products provided or produced by the Contract Vendor or utilized by the Contract Vendor in the performance of the Contract will not infringe upon or violate any patent, copyright, trade secret, or any other proprietary right of any third party. In the event of any such claim by any third party against the State, the State shall promptly notify the Contract Vendor. The Contract Vendor, at its own expense, shall indemnify, defend to the extent permitted by the Minnesota Attorney

General's Office, and hold harmless the State against any loss, cost, expense, or liability (including legal fees) arising out of such a claim, whether or not such claim is successful against the State.

If such a claim has occurred, or in the Contract Vendor's opinion is likely to occur, the Contract Vendor shall either procure for the State the right to continue using the materials or products or replacement or modified materials or products. If an option satisfactory to the State is not reasonably available, the State shall return the materials or products to the Contract Vendor, upon written request of the Contract Vendor and at the Contract Vendor's expense. This remedy is in addition to any other remedy provided by law.

20. **PARTICIPATING ADDENDUM AMENDMENTS.** Except as provided herein, the Participating Addendum shall be modified only by written amendment duly executed by an authorized representative of the State and the Contract Vendor. No alteration or variation of the terms and conditions of the Participating Addendum shall be valid unless made in writing and signed by the parties as required by law. Every amendment shall specify the date on which its provisions shall be effective. An approved Participating Addendum amendment means one approved by the authorized signatories of the Contract Vendor and the State as required by law.

The Contract Vendor shall make no representations of the State's opinion or position as to the quality or effectiveness of the products and/or services that are the subject of the Contract without the prior written consent of the State's Assistant Director or designee of the Office of State Procurement. These standards are not applicable for installation of software or peripheral devices used for nonvisual access when the information technology is being used by individuals who are not blind or visually impaired.

- 26. USAGE REPORT.** The Contract Vendor is required to furnish usage data to the State's Authorized Representative on an annual basis based on the executed start date of this Participating Addendum. The report on the Contract usage must consist of the total dollars expended by both State Agencies and CPV members. Failure to provide these reports may result in Contract cancellation.
- 27. SEVERABILITY.** If any provision of the Contract, including items incorporated by reference, is declared or found to be illegal, unenforceable, or void, then both the State and the Contract Vendor shall be relieved of all obligations arising under such provisions; if the remainder of the Contract is capable of performance it will not be affected by the declaration or finding and will be fully performed.

This shall extend to all agreements related to the subject matter of this RFP, and to all terms subsequently added, without regard to order of precedence.

- 39. FUNDING OUT CLAUSE.** Notwithstanding any other cancellation clauses, the State may immediately terminate this Contract if it does not obtain funding from the Minnesota Legislature beyond June 30, or from another funding source, or if funding cannot be continued at a level sufficient to allow for the payment of the goods or services in the Contract, whether due to a lack of direct funding or agency reallocation of funding, or if operations of any paying entity are being discontinued. The State must provide the Contract Vendor with notice within a reasonable time after the decision is made to terminate the Contract. Termination will be by written or fax notice to the Contract Vendor. The State is not obligated to pay for any goods or service accepted or provided after notice and effective date of termination. However, the Contract Vendor will be entitled to payment for goods or services accepted or satisfactorily performed up until the effective date of the termination. The State will not be assessed any penalty if the Contract is terminated in accordance with this section.
